

In this illustration, our artist, Stephen Bern Dahlman, has very beautifully depicted exactly what "PSYCHIANA" teaches. No religious organization in existence, which is interested in men and women actually finding the Power of the Spirit of God, can disagree with the above picture. The water-wheel is YOU. The water which turns the wheel is the invisible Realm of the Spirit of God. That Realm exists here and now, free, and for all. In fact, the invisible LIFE in you, was given to you by God, and it is the invisible Spirit of God, OPERATING IN YOU, which makes you a "living soul." That's how close the Realm of God is to you. Let me ask you, beloved, to recognize this Great Presence every moment of the day. For the answer to ALL of your problems lies in this fact I am teaching you. I know that this Teaching cuts at the very roots of "orthodoxy." But "orthodoxy" will never save this world. A recognition of the presence of the Spirit of God IN HUMAN LIVES, however, CAN, AND WILL SAVE IT. It's just a matter of getting enough people to experience this fact or rather to recognize this fact. And if you think God is not there, in your life, try talking with God some time—just as you would talk with me. You'll be convinced in short order whether I am teaching the TRUTH or not. God is very real. God is a LIVING REALITY in YOUR LIFE. Now, what are you going to do with the Power of God, which moment by moment, not only keeps you, but WAITS FOR YOU TO DRAW ON THAT POWER? I think I know what your answer will be. Don't forget to send me more and more names of interested friends, for this picture of God will shortly be universally accepted. When it is, God and man can dwell together in perfect union here on this earth.

Cordially your friend and fellow-Student,
