

THIS DRAWING DEPICTS WHAT EVERYONE MAY HAVE THROUGH THE DYNAMIC POWER OF THE "GOD-LAW."

LIBERTY MEANS FREEDOM—freedom from worries, freedom from illness, freedom from want, freedom from fear—that's what liberty means. And all this is for you if you will allow the God-Law to accomplish these things for you. Your part is to follow your "PSYCHIANA" Lessons very closely. and give a certain few periods out of every day to waiting upon the God-Law. It lives in you. It gives you life. It can, therefore, also give you every good thing you can ever need. It puts the Power to achieve these things in your own hands. Once you recognize this amazing Power, you can use it. Please never forget this.
