

# THE INSTITUTE OF THE SPIRIT OF GOD

Box 402, Moscow, Idaho

My dear friend:

Instead of waiting for you to write me about the revolutionary discovery of the Power of God, and the amazing results men and women are securing as a result of this discovery, I am anticipating your letter, and writing you instead.

As you probably gathered if you saw the articles in TIME, NEWSWEEK, PIC, COLLIERS WEEKLY, THE PATH-FINDER, MAGAZINE DIGEST, and scores of other nationally known periodicals which have written me up, an astounding Spiritual Discovery has been made. Coming as it does, at a time when all the world wonders whether civilization will annihilate itself with the deadly Atom Bomb, the amazing wisdom of God in allowing this staggering discovery to be made in this age, is grand to behold.

What happens when men and women find this new Power of God is something like this: —no matter what the problems of life may be, they all find their answer in this dynamic Spiritual Power or Force which is available to ALL men and women.

Illnesses of supposedly incurable nature have been disappearing before this newly-discovered Power of God. It makes no difference who the person may be. Nor does it make any difference what his or her circumstances may be either. For this staggering, electrifying Power is free for all. Church-membership is absolutely unnecessary and no profession of religion is necessary either.

Then again—the utter simplicity of the operations of The Spirit of God, as that Spirit has come to men, mystifies those who come into contact with IT. Cancer, diabetes, physical ailments of every con-

ceivable sort and kind are ALL subject to the healing Power of God, as you have probably heard by now. Where there is no physical ailment, then this electrifying, invisible, throbbing, pulsing Power of God may be used in other ways.

For instance—just suppose there is domestic unhappiness in your life. Or suppose there is a lack of the material things which seem necessary for complete happiness—then all that is necessary is for you to discover how to find and use the ACTUAL and LITERAL Power of God. It's as simple as that.

Suppose once more you have a business deal on, and you are not quite sure just what move to make for the deal to be successful—well in such a case you may draw upon the Infinite Wisdom that is God and you will receive the right answer.

I have not vocabulary enough to recite here all the different ways the Power of The Spirit of God may be used, but you probably heard of what seemingly miraculous happenings have followed this startling Teaching, and because you would have probably written me sooner or later, I am trying to save you time by coming to you first.

Now just a word about how we operate. We have never tried to make money out of this singular, epochal religious Movement of God. We operate exclusively by mail, as you know, and we must and shall meet all of our obligations—always. We always have. So we have set a definite price which all who study with us are required to pay, with, of course, the distinct understanding that if for any reason the Student is not satisfied, he or she may return what Lessons have been received within 45 days from date of application, and all monies paid will be returned.

Our duty, of course, as the recipients of the knowledge of this staggering Power is to get it before the American people as quickly as possible. That is all we are interested in—getting the message into every home in America. Naturally there are some who have not yet heard of this amazing Spirit-

tual outpouring, and we are trying to cover all of these as rapidly as possible.

When this Power becomes fully known, then you will understand that the economic unrest, the strikes, the fear that throbs the pulses of the human race today will be all eliminated. For this is a more dynamic Power, really, than the Atomic Bomb. That Power is used for destruction, but the Power of God is used only for constructive purposes.

Naturally, this Power being so staggeringly revolutionary, and so different from what you have been led to believe the Power of God is, that it will take you some time to grasp it all. There are those who instantly grasp the staggering significance of this revelation. These—of course—are able to at once enter into the fullness of material supply, domestic happiness, and Spiritual Peace—and you may be one of these. If you have good common-sense you will be.

However—this revelation comes in the form of Lessons, one coming to each Member every two weeks. The Lessons are very easy to understand. Your part is to actually do the few simple things we ask you to do. **Quite naturally, God never made Himself so hard to find that there is much effort about finding that Great Power.**

You will find on the last page on this folder an application blank for membership. When we receive it, properly filled out, your Lessons start coming to you the same day. We cannot approach you again however. It takes scores of people busily employed to take care of all those who have come to us for knowledge of this amazing Power, and we feel our duty is done when we have told YOU about it.

Be sure you print your name and address plainly please. Applications will be filled in the order received, but the Lessons WILL start the day we receive it.

Cordially yours,

*Frank Robinson*
