THIS ASTOUNDING MESSAGE COMES TO YOU FROM

'PSYCHIANA'

Moscow, Idaho, U.S.A.

My dear friend:

What would you say if I were to say to you that it is my unshakable conviction that Almighty God can give us Eternal Life here and now?

Let me assure you that I was never more in earnest in my life than I am at this moment when I say to you that I believe that to be entirely possible. The unusual experiences which have happened in the lives of my Students all over the world, CONVINCE ME THAT I AM CORRECT in my belief that if The Almighty can give us Eternal Life in the future, after death, as all major religions admit, THE SAME ETERNAL CREATOR CAN GIVE US THE SAME ETERNAL LIFE RIGHT HERE ON THE EARTH. That is what I actually believe--and I'm going to find out if my belief is true or not.

If this is so--then I am bringing to this world the most revolutionary religious discovery of all ages. You will admit that. But I am not the one to limit The Almighty. I have seen that POWER IN ACTION too many times. The object of this letter is to invite you to study with me, and, if I should be correct, be among the first to reap this golden reward of an absolute faith in God. Will you come along? I have more to say on the back page. It won't take a moment to turn and read it.

Cordially yours,

Frank B. Robinson

HOW WOULD YOU LIKE TO LIVE FOREVER?

NO SICKNESS—NO PAIN—NO DEATH

**UNUSUAL MANIFESTATIONS IN HUMAN LIVES BY THE ALMIGHTY
LEAD US TO BELIEVE THIS MAY BE A DISTINCT POSSIBILITY**

Dr. Frank B. Robinson

**ETERNAL LIFE ON THIS EARTH
NO LABOR--NO CAPITALISM
NO WARS--NO HATE--NO DEATH**

(THESE THINGS HAVE TO COME SOONER OR LATER — WHY NOT NOW?)

**IS THIS TOO MUCH TO EXPECT OF THE ALMIGHTY?
WE DO NOT THINK SO**

**AS A MATTER OF FACT — IF ALMIGHTY GOD CANNOT CREATE ALL THESE THINGS
FOR US RIGHT HERE ON EARTH — HE IS NOT ALMIGHTY**

Almost twenty years ago, Dr. Frank B. Robinson startled the world by his dramatic statement that he had "TALKED WITH GOD." He astounded it further by making the even more dramatic statement that he had discovered a totally new and unprecedented concept of The Almighty. He plainly stated that The Power of God can bring into every life desiring it, a super-abundance of every good thing, including health, happiness, and spiritual and financial success. TIME, NEWSWEEK, PIC, COLLIER'S WEEKLY, and scores of nationally known publications wrote the story up. It was perhaps the most amazing departure from accepted religious theories ever advanced in many centuries.

AND NOW HE JOLTS THE WORLD ONCE MORE

FOLLOW THESE INSTRUCTIONS

When, after nearly twenty years of conducting the most unusual religious Movement ever to come to this earth, I believed that I was right in my thought that The Almighty can give us Eternal Life right here on earth, I at once began to put my thoughts into Study-Lesson form. I know that literally millions have these same thoughts, and want to know factual TRUTH about The Creator. They are mystified at the complete absence of THE POWER OF GOD from the earth.

It took 26 Study-Lessons to contain my thoughts on the possibility of Eternal Life here on earth, and I now invite you to study these Lessons thru the coming year. To say that God CANNOT give us Eternal Life on this earth is to deny the omnipotence of God. I am the wrong man to do that. The fact that "death" has come to all men is not proof to me that it always must be, BUT I REFUSE TO LIMIT THE POWER OF GOD TO DO ANYTHING WHICH IS FOR THE BENEFIT OF MAN. I am of the opinion that "death" manifests on the earth because we have been taught that is the only thing we can expect from God on the earth. I REFUSE TO BELIEVE THAT. We have expected "death" and that's what we got.

Shall we not then begin to lift the limitations we have put on God? Let us EXPECT GOD TO GIVE US ETERNAL LIFE ON THE EARTH AND MAYBE THAT'S JUST WHAT WE SHALL GET. Certainly if we deny the will, or the ability of The Almighty to bring Eternal Life to us here, we cannot get it. I want to step out a bit on THE POWER OF GOD. I WANT TO MANIFEST MY FAITH. Would you like to come along with me? I welcome you, I assure you. If you do not agree with me, we will part company and still be friends. Read both sides of enclosed enrollment blank.
