

LETTERS LIKE THIS SPEAK FOR THEMSELVES

March 8, 1936
Lansing, Iowa

My dear Dr. Robinson,

My pen cannot express adequately my gratitude to you for the beautiful "Brochure", the Psychiana records, the Psychiana pin, and the book, "The Name of the Beast '666'."

The book makes me thirst after more from the same Spiritual spring. How thrilled I was when I placed your record on the victrola--a charming surprise--to hear your voice alone filled me with a buoyant optimism, an attitude of assurance, and radiant hopes. Your words touched me most profoundly. It seemed to put me into the happiest mood and gave me a genuine confidence in myself and the world. The Psychiana teaching, truly, is the Leaven that is gradually purifying the world. It seems to be the salt that keeps civilization from decay. To me it has all the fascination of an adventure, and I assure you that without your teaching, Life would be very dull. I am indebted to you for the Spiritual realities you brought to me through Psychiana. THIS SPIRITUAL AWAKENING IS ABSOLUTELY MATCHLESS. IT IS LIKE A SPRING WHOSE WATERS CANNOT FAIL. Please allow me to send my most thankful acknowledgments for the favors you have conferred upon me.

May the Life Spirit aid you in spreading the Psychiana Teaching to every human being on this good old earth.

Very sincerely yours,

A-----W-----

P.S. Enclosed find a \$5.00 bill donation to any good cause you see fit to use it for.

"PSYCHIANA"

Dr. Frank B. Robinson, Founder

Moscow, Idaho

My dear friend:

How I wish it were possible for me to be seated in your home at this moment, then I could talk with you face to face and heart to heart. I could explain to you in my own simple way what happened in my life when I caught the new vision of God, as this great Life-Spirit actually exists. I can tell you it was a far different picture from the one I had been taught in childhood. I can recall how the shackles of poverty and ill health began to loosen up when I discarded old worn-out traditions and superstitions.

When I began to really recognize the existence of this Realm of Spiritual Power which exists here and now for every normal human being, THE LIGHT BEGAN TO BREAK. First, that old bug-a-boo called "fear" went out of the window and all "I CAN'T" thoughts immediately changed themselves into "I CAN" thoughts. It was not very long after receiving this vision of God until my entire mental and physical being changed. And what a change it was. In the beginning I had been looking for God in the sky and I had believed that by no possible means could I know anything about that Great Power here and now. I did not have the faintest suspicion of the actual facts as they exist, for instead of God being some great judge seated up in the sky, he exists as the most dynamic, invisible power this world has ever known. People by the thousands are discarding old religious superstitions and are finding the actual existence of the Great God-Law which exists for the sole purpose of bringing to men and women here and now, Health, Happiness, and Material Abundance.

I wish it were possible to tell the whole world at once, this truth of God's Power, and I am doing this as fast as it is humanly possible. Naturally I can not come into your home this evening and sit opposite you and pour out of the fullness of my heart the story of what this new vision of God did for me. You can, however, study this stupendous Teaching with me, and you can hear these liberating truths which God placed in the world for the benefit of the human race in the very beginning, but which, through the ignorance and superstition of man, this world has never grasped 'til today. Take your pen in your hand, fill in the Application Blank you have, mail it to me in Moscow, and so sure am I of what this stupendous Teaching of God can do for you that if you are not absolutely satisfied with this Teaching, you may return the Lessons you have received to me within seven weeks, and your money will be refunded to you in full.

You stand at the parting of the ways now. Follow the still small voice which urges you to mail in your enrollment--and follow it now. Then wait and see what happens.

Sincerely yours,

Dr. Frank B. Robinson

Dear Dr. Robinson;

I received Lesson 4 yesterday & stayed up till one o'clock this morning reading it through.

No words of mine can adequately express the glorious thrill it gave me. The story of the creation & fall of man, as unfolded by you, is one of the most marvellous revelations I shall ever experience. To think that this earthly life is "death" makes you long to discover something definite about our future existence. Will your later lessons give any enlightenment on this important phase of existence?

The thought of being able to actually speak to the Living God, the Mighty Life Spirit, fairly took my breath away, as you said it would do. I was keyed up to a high pitch, 100% wide-awake & expectant, when I came to that passage.

It's impossible in a letter to show you my true appreciation of your wonderful work as I cannot possibly thank you sufficiently.

Very sincerely yours,

Geoffrey Birley.

WHAT IS IT YOU LACK?

Money . . . ?

Good Health ?

Happiness . . . ?

If you lack any of these three very important necessities of life, then

I INVITE YOU

to give my teaching an opportunity to prove what it can or can not do for you.

REMEMBER

This teaching changed my whole life from failure to

SUCCESS

WOULDN'T IT BE A PITY?

. . . IF THESE THINGS COULD ALL BE YOURS . . . AND YOU WERE BLINDED TO THAT FACT BY PAST FAILURES.

Perhaps you have been looking "within" or to the mythical "subconscious mind" in the past. If you have, please bear in mind that THESE LESSONS ARE ENTIRELY DIFFERENT FROM ANYTHING EVER PUT INTO PRINT. We deny that there is any power "within" and the "subconscious mind" theory is also denied by us. To date not one single soul has ever been found who could produce the evidence of such a "mind." Many "courses" are in existence, all of which are based on the subconscious mind theory. The source of power "PSYCHIANA" teaches is neither within nor is it "subconscious mind." It is the Great Creative Intelligence behind the Universe. We believe that this Power, no matter what called, can be used for the many benefits of life. We do not believe there are limitations to this power, other than the limitations put on it by man himself. Our Lessons deal with fundamentals—not flowery phrases—but the very fundamentals of life, and before there can be any success much in life, a correct understanding of the relationship between man and the mighty Creator is absolutely essential.

We believe, however, that there is a world of power at the disposal of every man, and we believe it to be every man's right to have the very best in life. We know that just as long as we were trusting in "the future" to receive things, we did not get any of them here. But when we called into play the power we believe to exist—the GOD-LAW of the universe, then it didn't take long for us to make our mark in the world. At any rate—if you are skeptical at all, then put the burden of proof on us. Enroll for these studies. If for any reason at all you are not satisfied with them, send them back within the time limit of 45 days from date of application, and your money will come back to you.

YOU!

HAVE A PROBLEM!

What That Problem Is, I Do Not Know

PERHAPS:

it is a matter of SUCCESS. It may be that to date your whole life has been one big failure—perhaps you feel that it always must be a failure. You perhaps feel “What chance have I in life—I can’t ever be a success and have the good things in life.”

PERHAPS:

there is, down deep in your nature, an indescribable “something” which urges you to try and accomplish things—to do things—to actually make something of yourself. Lucky indeed are you if such desire for success in your life is in your secret self. For the fact that the desire is there is evidence to me that such desire can be fulfilled by you. Don’t say “I can’t”—for the chances are many to one that YOU CAN—provided of course that you know the way.

PERHAPS:

everything you touch turns to failure—is that it? Are you one of the kind that instinctively feels that whatever you do MUST fail—just because you do it? There are many like that in the world—in fact the world’s wealth is held by a very small percentage of the world’s population. And ten per cent control the wealth of America today—the rest helping to contribute to that wealth. And the reason that ten per cent control this wealth is mainly because only about ten per cent know how to THINK FOR THEMSELVES. Are you one of the 90 per cent? Perhaps you are.

NO MATTER WHAT THE PROBLEM!

PERHAPS I CAN HELP YOU

I don’t know that I can—but you never can tell—I have certainly helped hundreds and perhaps you are just the same sort of person as these hundreds are. I think there comes to every man and woman, at least once, a certain moment and a certain opportunity, which if taken, means a change in one’s whole life for the better. I really think there is a time in the affairs of all men like this. Perhaps this is your time—perhaps my teaching is the very thing you need to start you on the road to success and happiness. WHAT IF IT SHOULD BE that VERY THING AND YOU PASSED IT UP? WHO WOULD YOU BLAME?—Certainly not me, for I am being mighty fair with you.
