

A PERSONAL MESSAGE FROM DR. FRANK B. ROBINSON

PLEASE READ CAREFULLY

I do not know who you are, my friend—I cannot know. But I do know that you need the Power of the God-Realm, with all its dynamic potentialities—and you need it now. If I can convince you of my sincerity, and if I can get across to you the staggering fact that YOU, whoever you may be, CAN, HERE AND NOW, contact the Great God-Realm, and from that Realm bring to you and your loved ones all the choicest things of life—if I can do that—I shall be abundantly satisfied. Please don't be skeptical. There is no longer any doubt of the ability of the God-Realm to operate in every human life. Nor is there any doubt of its eagerness and willingness to bring the material, as well as the spiritual things of life, to all who will use the Law. And it isn't hard to use.

I am not interested in your money—I never have been. I am only interested in my work and my mission, which is to tell men and women the wide world over, the new and priceless truth of the present existence of the great God-Realm. That is my job. To this end was I born. I am trying to tell YOU what the God-Realm can do for YOU. Will you let me? Quite naturally I must make some charge, as we must pay our way. We must take in enough money to pay all our expenses. You will understand that. But when we bring to you such priceless truths of God, we don't believe the small fee we charge will ever be questioned by you, nor do we believe you will be so narrow that you will want to deny us the little bit we charge. Please give me an opportunity to show you who and what God really is, and what He can do for you. If you're not satisfied, your money all comes back to you. (See the money-back guarantee.) But please don't be skeptical. This new revelation or conception of God will probably revolutionize religious thought in the next ten years.
