LIFE DOES NOT BEGIN AT FORTY

It begins the moment men and women recognize that there is a great throbbing, pulsing, boundless ocean of Power behind them. A supreme Power, a God-Law. And our message to you is that such a titanic Power DOES exist, and exists for all men and women everywhere. It's invincible. It's insuperable. It's absolute. It comes from entirely outside the natural realm of man, but exists for the natural man. It can electrify and vitalize a human life, transforming it from a defeated, pitiable object, into a thing of beauty and Power. And this God-Law can do these things for you. It wants to. This supreme Power exists. It has always existed. It always will exist. It brings to you and to me dancing flashes of God-Power. It shows the very nature of God. And you, as a created object of God, have the RIGHT to know what the God-Law can do for you.

No--life doesn't begin at 40. It can begin for you NOW. Your future can be radiantly bright. Your poverty can be exchanged for material abundance. Your unhappiness can be changed to infinite peace. Your ill-health can, through the Power of the God-Law be changed into radiant, throbbing health. Surely the Creative Power behind this universe and YOU, having made you, can still sustain you. It can instill into the very core of your being,---success, abundant throbbing success. Power?--yes--invincible, throbbing Power--the Power of the God-REALM.

All we ask is an opportunity to show you what lies at your right hand, if you will but use it. Will you let us show you that? Don't believe that this Power isn't for you. Don't think only others can find this new life, for that is not so. IT IS YOUR HERITAGE AS WELL AS MINE. Please let us show you. You will thank us as long as you live for bringing this mighty God-Law to your attention if you are like many others. The world has waited a long time for this new conception of God. It has already swept with its irresistible Power into 67 different countries in its first year. There must be something to it. If there is, you owe it to yourself and your loved ones to find out what the God-Law can do for you.

We of "PSYCHIANA" cannot do these things of ourselves. Dr. Robinson personally cannot do them. All he can do is to point the way to the Power which transformed his life from a broken, pitiable failure into a life of dominant material and spiritual success. Will you let us show you please? If it should be that you find, after studying with us that you do not care to continue with us--it's all right--you lose nothing, for we shall be more than happy to immediately refund to you whatever little cost you may have had. All we ask is that you send the Lessons back to us inside of 45 days from the date of your beginning this journey with us--the date of your application blank. Many tens of thousands have studied the great God-Law with us, but very few have ever asked for their money back. There have been some, but not many. Suppose you start now? It will be the smartest thing you have ever done.

We are not going to coax you. If you knew what the God-Law can actually do for you, you wouldn't need any coaxing. You couldn't be kept from mailing your application blank in now, with a team of horses. Fill it out and mail it to:

Dr. Robinson
Moscow,
Idaho. U.S.A.

Dear Dr. Robinson;

I received Lesson 4 yesterday & stayed up till one o'clock this morning reading it through.

No words of mine can adequately express the glorious thrill it gave me. The story of the creation & fall of man, as unfolded by you, is one of the most marvellous revelations I shall ever experience. To think that this earthly life is "death" makes you long to discover something definite about our future existence. Will your later lessons give any enlightenment on this important phase of existence?

The thought of being able to actually speak to the Living God, the Mighty Life Spirit, fairly took my breath away, as you said it would do. I was keyed up to a high pitch, 100% wide-awake & expectant, when I came to that passage.

It's impossible in a letter to show you my true appreciation of your wonderful work as I cannot possibly thank you sufficiently.

Very sincerely yours,

Geoffrey Birley.

Dr. Robinson Possesses No Strange Power At All—

**He Is Just an Ordinary
Individual . . . Like You**

DR. FRANK B. ROBINSON

From boyhood up, Dr. Robinson had been taught that he was born in sin, shapen in iniquity, and unless he experienced some "supernatural change of heart," would die in his sins, etc. He was instructed by his well-meaning parents to consider himself a "pilgrim" along life's highway. He was informed that "God" would take care of his future life after he died and went to "Heaven." But after forty years of intensive effort to find God, he finally gave up the search. He analyzed the teachings of his parents. He began to think for himself. Finally, he discarded every theory about God which dealt with the "future life," for he believed that "God" should be a living, vital spirit whose power could be found and used here and now. He believed then, and has proved now, that God is a mighty Spiritual Law, abundantly able to fill the lack in any man's life once the power of this Mighty God-Law is understood and used. This is a very revolutionary statement to make, but Dr. Robinson believes it to be the truth. He is confident that a correct knowledge of God is all that one requires to give to every human being whatsoever things should be rightfully desired—not in "heaven"—but

HERE AND NOW!

So, all alone, he decided to publish to the world his theory of God, letting it stand or fall on its own merits. *Has he been successful?* We think so. At the present time Dr. Robinson is one of the best known men in his field in the country. His own magazine "PSYCHIANA" QUARTERLY, is a very unusual periodical. His articles appear at intervals in "PSYCHOLOGY" and other national magazines in this field. He attributes this success in its entirety not to himself alone, but to the recognition of the dynamic spiritual power this course teaches. *If Dr. Robinson can do it—why can't you?*

You can—if you will let the Mighty God-Law operate in your life.

DOES IT WORK?

A THOUSAND TIMES, "YES!"

(THIS ARTICLE AND THE PICTURES BELOW APPEARED IN THE MAGAZINE SECTION OF THE SPOKESMAN-REVIEW, SPOKANE, WASH., ON SUNDAY, NOVEMBER 1, 1931.)

PRIVATE HOME HAS PIPE ORGAN

The only residential pipe organ in Idaho—probably the only one in the Inland Empire—has recently been built and installed by J. Riley Chase, organ engineer, Spokane, in the residence of Dr. Frank B. Robinson, Moscow, Idaho. Mr. Chase recently completed the complicated job, which required 10 days.

"This is a standard theater-type Geneva organ," said Mr. Chase. "It has five ranks—flute, tibia, vox humana, violin and celeste. It also has xylophone and orchestra bells and is fully unified. There are 365 pipes in all. It is entirely adequate for residential use.

"Dr. Robinson has completed a soundproof room in the basement, where the pipes have been installed. The tone is directed into the living room through a grill, not unlike a furnace register. It is nine inches wide and five feet long. The arrangement gives plenty of tone without a deafening effect.

"The organ is blown by a two horse-power rotary blower, which, with the tremolo and relay, is put in a separate soundproof room in the basement. It is so quiet that it is almost inaudible. In fact, it is one of the quietest I have known."

ROBINSON HOME

This six-room house in Moscow, Idaho, won honorable mention in the 1930 better homes contest.

DR. FRANK B. ROBINSON AT CONSOLE

The Moscow philosopher has the only residential pipe organ in the Inland Empire. He is an accomplished organist.

Dr. Robinson is best known as the founder of "PSYCHIANA," a new school of thought, with its own magazine and brotherhood. He is a pipe-organist of wide experience and has installed the instrument for his own pleasure and the pleasure of his family. It has been his lifelong dream to have an organ in his home.

"An interesting feature is that the pipe organ has been installed in a modest six-room home," said Mr. Chase. "Dr. Robinson purchased the property after it had been displayed as a model house, having been built and furnished under the direction of the home economics department of the University of Idaho. It won honorable mention in the national better homes contest in 1930."

Six years ago Dr. Robinson was working as a clerk in a drug store in Moscow, Idaho. He decided to put his philosophy of life to the test. He decided to find out whether or not the power of God could bring his heart's desire and visions into being. His Teachings went like wildfire and inside of one year he owned the above beautiful home, which cost nearly \$9000 without the pipe organ. In addition to this he owns a beautiful car and owns controlling

interest in an organization which is eminently successful. He carries many thousand dollars worth of life insurance, and if he were to die tomorrow his loved ones would be amply cared for. And less than six years ago he did not have a penny to his name and was thousands of dollars in debt. All of the above have been secured through the application of the Spiritual God-Law this course of instruction teaches.

S. Robertson, Pomona, Calif.
