YOUR FONDEST HOPES CAN BE REALIZED

Sit down for a moment and relax. Then draw a mental picture of what you would like to be and have---in this life. Forget any future life for the time being. I imagine I can hear you say:--

"Well first of all I'd like lots of money. Then I'd like a nice home---a wife---a family." Or perhaps you have the wife and family and would like to be successful enough to secure for them the things you would like them to have. IF SO WE HAVE A MESSAGE OF HOPE FOR YOU.

For, through the pulsing, surging, dynamic power of the God-Law---all these things, and more, may be yours. When once the limitless power of the God-Law is put to work, there is nothing it cannot accomplish for you. It exists for that purpose. Please let it help you. It wants to, and you want it to. So why hesitate?

"PSYCHIANA"

Moscow, Idaho

Dr. Frank B. Robinson

Speaking to Packed House in the

TRINITY AUDITORIUM

Los Angeles, California, January 27th, 1935.

On the opening Sunday night, more thousands of people were turned away than were able to gain admittance. The police were called to handle the crowds. At 7 p. m. the doors of the auditorium had to be locked, although Dr. Robinson was not scheduled to speak until 8 p. m. Every succeeding night witnessed similar scenes, and every evening crowds were turned away unable to obtain seats. The applause throughout the entire series of addresses was prolonged and vociferous. Never to our knowledge have such demonstrations been seen before.

WHAT DOES IT MEAN?

It means that the old pagan and superstitious ideas of God have had their day—they are passing away—they have been weighed in the balances and found wanting. It means that men and women by the millions are waiting for and ready for the new picture of God being given to the world by Dr. Robinson. It means that men and women who have found the old ideas of God useless, are turning by the hundreds of thousands to a newer and much larger picture. It means that men and women are finally learning that the power of God, as this Great Power exists, is abundantly able to supply all their needs, both material and spiritual—here and now. It is not necessary to wait to die before one can know the power of God—the greatest and most dynamic creative power this world has ever known.

(SEE OTHER SIDE)

WHAT DO **YOU** NEED?

TO MAKE YOUR LIFE ABUNDANTLY SUCCESSFUL — MATERIALLY AND SPIRITUALLY?

No matter what it may be you need, let me say to you that there exists today, and there has always existed, a Spiritual God-Law which is abundantly able to bring to you whatever things you need — here and now. It can solve your every problem for you, if you will let it.

We believe this invisible dynamic Law to have ever existed. We believe it is God. Not the old god, of course, for we do not believe the old stories taught of god as most of them originated thousands of years ago in pagan and heathen superstition, and have been handed down through the ages and offered to you and me today as being true stories of God. We don't believe such stories. Our experience has proven them to be utterly false. Our researches into the realm of God have proven to our satisfaction the existence of a mighty living Spirit which is God, and which is so dynamic that it can bring into every life understanding something of the existence and Spiritual Power of this Law, whatever things are necessary to complete happiness, complete health, and overwhelming success, both spiritually and materially. This is the picture of God we hold, and we believe this dynamic Power has always existed for the express purpose of bringing these good things to men and women here and now. This is a far more sane and logical picture of God than has ever been offered before, and we have in our files letters and letters and more letters which have come to us from all over the world, telling in no uncertain terms what this new definition and vision of God is doing in human lives.

**THERE IS A REASON WHY DOCTOR
ROBINSON'S MESSAGE IS ATTRACTING
SUCH CROWDS.**

**IF YOU HAVE ANY DOUBTS AS TO
WHAT THE GOD-LAW CAN DO.**

March, 20, 1934.

Dr. Frank B. Robinson,
Moscow, Idaho.

Dear Dr. Robinson:

I am taking this opportunity to let you know of the benefits that I have derived from your Lessons to date.

For the past several years, misfortune has dogged my very footsteps and, try as I would, I have been unable to accomplish anything. Everything that I tried simply turned to failure and I had reached the point where I was about to give up. I lived in fear of what the future had in store for me. It seemed that I was caught in a rut and I was unable to get out of it. Besides having a lot of misfortune my health has not been so good and I arrived at the conclusion that my life was simply meant to be one of gloom and misery. Do you wonder why I lived in fear of everything (including life itself) when all I could see ahead of me was nothing but ill health and misfortune?

What a difference since I have taken up your course, what a difference. I have taken a new lease on life and the very things that I once feared have completely gone out of my system. Some of those things are now amazing me instead.

I want to say in all sincerity that your first Lesson took all the fear out of my life. I now think that life is wonderfully thrilling and well worth living. Your second Lesson opened my eyes a little more and as far as your third Lesson is concerned, there is nothing I can say that will justify its merits. It has raised my hopes a million miles in the sky and when I look at the wonders of this world, and the sky above, it simply thrills me. I feel as though I am living in a different world. It is all so wonderful when one realizes his relationship to the Power of the Living God and I say to you thanks a million times for calling this Course to my attention.

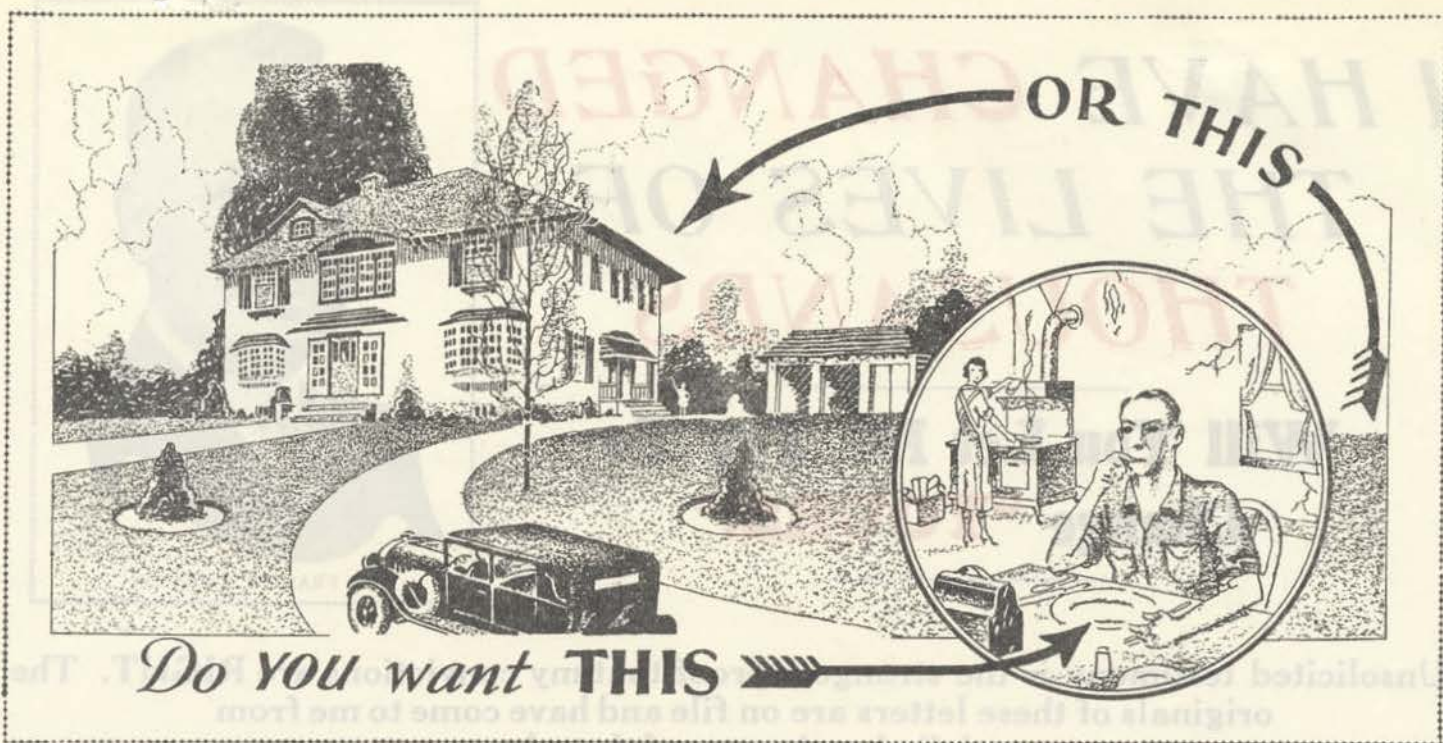

When I received your third Lesson, I kept reading and reading it and I had a smile on my face that reached from ear to ear. You have no idea how that Lesson made me feel. I felt as though I was floating on air. All my friends are amazed at the change that has come over me. I assure you that it won't be long before some of my friends will take this Course for their own benefit. Again, I wish to thank you from the bottom of my heart.

Your friend and student,

M. C.,

Astoria, L. I., New York.

FOR YOU.**

YOU CONTROL YOUR OWN DESTINY...!

If You Are Satisfied to Plug Away, Trusting to "Luck" to Help You Out — Then I'm Afraid I Can't Help You.

BUT If you are in earnest about your future success—if you really are man or woman enough to say "you bet I want the best things in life," and if you will apply the same powerful principles and Law which I applied, then I see no reason why you should not achieve every right desire you have. The "Law" is no respecter of persons.

LISTEN TO THIS

Less than five years ago I was clerking in a drug store right here in Moscow. I lived in a rented apartment. I had no money. I had no car. I had no life insurance—in fact I had nothing. I was just eking out an existence and if I had lost my job, I would not have had money enough to get me to the next town. For years I had been formulating the theory and a philosophy of life, for I was sick and tired of this eternal everlasting skimping and living from hand to mouth. I seemed to instinctively know that better things could be had—and could be had by me. I believed there to be a Power in existence, which Power could, and would, in the very moment one trusted in this Power and knew how to put it to work, show me what to do and how to do it. I believe this Power exists for all, and I believe it to be the first Creative Power of the universe. You may call it God, you may call it *Cosmic Consciousness*—you may call it the *Over-Soul*—in fact I do not care what you call it, for I Am Convinced of its existence. I believe with all my heart and soul that this mighty *God-Law* was meant to operate Now, and to my satisfaction it has operated very wonderfully during the past five years. I am not a wealthy man or anything like that, nor do I want to be—but I am not wanting for anything. I now own my own home, I own a wonderful car. I own a beautiful pipe organ. I own two drug stores and a large newspaper. I have several thousand dollars worth of life insurance, and have a standing credit at the bank. So certainly something has happened after 43 years of failure. I don't care what you have been taught about God, my belief in this *God Law* is that not only can it operate Now and Here but I believe It Is Here for that very purpose. I may be wrong—but I don't think so. At any rate, I am perfectly willing to put my teaching to the test in your life, and if it doesn't satisfy you, then I am willing and glad to return every cent you have paid me. If it should be that I have a teaching which is vitally true, and which might very easily be the very thing you are looking for, then it is only just and right that you should pay me a reasonable amount for this teaching.

YOU MUST BE SATISFIED

If, on the other hand, you are not completely satisfied, then it would not be right for me to take one cent from you—and I won't do it. The only restriction I make is that you return the Lessons you have received inside of 45 days from date of your application. If you do that, no questions will be asked—no red tape will be gone through—you will receive a check in full. ISN'T THAT FAIR? DON'T YOU THINK YOU OWE IT TO YOURSELF TO FIND OUT WHAT THIS POWER WAS WHICH SO COMPLETELY CHANGED MY CIRCUMSTANCES? Of course you do. So, PUT YOUR ENROLLMENT APPLICATION in the mail NOW, and start my Lessons on their way to you. IF YOU ARE IN EARNEST YOU WILL DO THIS, and my instructions are for the earnest men and women who really want to get something in life. And remember, you are entitled to write me while you are a student of ours if any problem crops up that you don't understand. I WANT TO HELP YOU, SO LET ME.

I HAVE CHANGED THE LIVES OF THOUSANDS

DR. FRANK B. ROBINSON

Unsolicited testimony is the strongest proof that my convictions are RIGHT. The originals of these letters are on file and have come to me from satisfied and successful students.

Well-Known Scientist's Wife:

"How I revere your mind. Your lessons are the most marvelous I have ever seen. I have found "IT"—YOUR PRECIOUS "IT", and IT ALMOST KNOCKED ME OUT WHEN IT BURST UPON ME. Glorious. Your Lessons have caused an upheaval in my intelligence. My own treatise on the training of "subconscious" will undergo a change of language. I am affiliated with many big minds who should be under your direct guidance. May God speed you in broadcasting your illuminating summary of the 'GOD-LAW'."

(P. S.) The name of this lady is well known and revered. Our teaching held up her own book on the subject as it changed her whole understanding of "THE LAW."

"Make Material Demonstrations"

"Needless to tell you what I feel about your course, for I've found a great joy in studying it and telling others (who are also proving that the LAW works.) IT DOES WORK—easily, surely, and wonderfully—MAKING DEMONSTRATIONS IN A MATERIAL WAY."

"This One From Upper Egypt"

"I received Lesson 4 yesterday and stayed up till 1 o'clock this morning reading it through. No words of mine can adequately express the glorious thrill it gave me. The story of the creation and fall of man, as unfolded by you, is ONE OF THE MOST MARVELOUS REVELATIONS I SHALL EVER EXPERIENCE."

(P. S.) This gentleman is connected with one of the largest cotton-growing concerns in Egypt. He is an Englishman of family and standing. There can be no mistake about what he means—can there?

"Actually Found It"

"All the writers of the New Psychology would do well to take your course and study it. From the very first time I read your course, I CONTACTED THE FORCE YOU SPEAK ABOUT."

(P. S.) When the literal spiritual power comes into a man's life—it makes him a victor. These letters are from folks who know what they are talking about. They are not all fooled.

"Too Cheap," Says This Lady

"What a revelation—I am dancing for joy—your Lessons are revealing to me what I have searched for all my life and I await with feverish haste every Lesson. May God bless you all. If you charged \$100 for the course, IT WOULD BE CHEAP."

"Do You Get Results?"

"I have secured AMAZING RESULTS from Lessons I have received to date."

"We're Grateful Too"

"The truth I have thus far obtained from you has given me an entirely new outlook on life. I am, I assure you, deeply grateful that I found you."

"Well-Known Lawyer Says This"

"I have had such a big change for the better with a guidance that has been MARVELOUS IN ITS RESULTS. I have had a WONDERFUL REVELATION and the first two Lessons of 'PSYCHIANA' make me overly enthusiastic for the rest. May your work prosper as your Course has TURNED THE FACTS AWAY AND CHANGED my plans to such a better course than I dreamed possible."

(P. S.) The power is there all right—it needs but to be understood and correctly used. And YOU can use it as well as this lawyer did.

"This Man's Search Ended"

"I have received the Lessons and am enjoying them immensely. It appears to me that this is just what I have long sought for but failed to find."

"Another Professional Man Speaks"

"Your Lesson No. 1 received and I find it immensely interesting. Somehow I feel that you have the same thing I HAVE BEEN SEARCHING FOR, LO, THESE MANY YEARS."
