"PSYCHIANA"

Dr. Frank B. Robinson

Moscow, Idaho

TO ALL ENQUIRERS

From time immemorial--ever since the first little germ of life appeared on this planet, the throbbing desire of every human heart has been for happiness. First happiness--then success--then peace. But the realization of that throbbing, surging, heart's desire has not been achieved. Happiness has eluded the human race. Success has come but to the few. Peace?--well there's little of peace on the earth today. And there's little hope that either success, peace or happiness can come to a world full of nations angrily growling at each others throats, and but waiting the spark which will ignite the powder-keg.

But human lives the world over are finding the Power of the God-Law. They are finding not only peace, but happiness, and material and spiritual abundance as well. They are learning that there does exist, a Power which is so staggering in its immensity, that with no effort at all, it swings yon celestial galaxies into space and keeps them wheeling in their orbits--with never a miss, never an accident.

Have you seemed as a piece of flotsam or jetsam on life's troubled sea? Have you been frustrated at every turn? Have you accomplished what you wanted to accomplish? Are you filled with dynamic Power which rides you over every obstacle life offers? Or are you defeated at every turn of the road--unhappy--miserable, struggling frantically to keep the wolf from the door? Does the spectre of old age face you with its ghastly grin, finding you utterly unprepared to meet it? Or have you accumulated sufficient of this world's goods that the evening of your life may be serene and peaceful? You know the answer to that--we don't.

What we do know is that if you will but let the God-Law operate in your life, all your failures will be turned into success, and glorious success too. All the unhappiness will vanish as the morning mist before the rising sun. All of your poverty will be replaced by the infinite magnitude of the Power of the great God-Law, and certainly such a Power as that, which swings yon planets in their orbits, and which counts even the very hairs of your head--CAN GIVE YOU THE FEW THINGS WHICH YOU NEED TO MAKE YOUR LIFE AN OVERCOMING VICTORY. Do you believe that such a Power exists? We do. We KNOW it exists. And we want you to know it too. You will have to take our word for it until you join us in our studies together--but it won't be very long until YOU, TOO, KNOW that such a God-Law exists and can supply your every need.

We are not interested in your money. We have, of course, to meet our expenses and obligations, and it is but right and just that if we bring to you staggering truths, you in turn should pay something for them. But how little is the cost. Can any sum of money reward us for showing you the truths of the God-Law? We don't think so. All we ask you to do is to let us show you what the God-Law can do for you. That's all we ask. We'll stand or fall on the God-Law. But YOU must mail the enrollment blank--we cannot do that for you. Will you do it now? Play fair with yourself--"For when the One great Scorer comes, to write against your name, He asks not if you won or lost--but HOW YOU PLAYED THE GAME." Play it now.

**A PERSONAL MESSAGE FROM
DR. FRANK B. ROBINSON**

Nov. 3-
PLEASE READ CAREFULLY

I do not know who you are, my friend—I cannot know. But I do know that you need the Power of the God-Realm, with all its dynamic potentialities—and you need it now. If I can convince you of my sincerity, and if I can get across to you the staggering fact that YOU, whoever you may be, CAN, HERE AND NOW, contact the Great God-Realm, and from that Realm bring to you and your loved ones all the choicest things of life—if I can do that—I shall be abundantly satisfied. Please don't be skeptical. There is no longer any doubt of the ability of the God-Realm to operate in every human life. Nor is there any doubt of its eagerness and willingness to bring the material, as well as the spiritual things of life, to all who will use the Law. And it isn't hard to use.

I am not interested in your money—I never have been. I am only interested in my work and my mission, which is to tell men and women the wide world over, the new and priceless truth of the present existence of the great God-Realm. That is my job. To this end was I born. I am trying to tell YOU what the God-Realm can do for YOU. Will you let me? Quite naturally I must make some charge, as we must pay our way. We must take in enough money to pay all our expenses. You will understand that. But when we bring to you such priceless truths of God, we don't believe the small fee we charge will ever be questioned by you, nor do we believe you will be so narrow that you will want to deny us the little bit we charge. Please give me an opportunity to show you who and what God really is, and what He can do for you. If you're not satisfied, your money all comes back to you. (See the money-back guarantee.) But please don't be skeptical. This new revelation or conception of God will probably revolutionize religious thought in the next ten years.

GOD-LAW TO BRING TO YOU THE

Dr. Frank B. Robinson,

Dear Dr. Robinson:

Mrs. L——, a neighbor of ours, is a widow; her husband died about one year ago, and had been a cripple for years. Ten years ago they were quite well-to-do (\$50,000), but bad investments ~~with~~, depression and sickness has reduced them to less than the necessities of food and clothing. Mrs. L—— had a cancer and was nearing death and enduring much suffering.

My wife and I have received so much benefit from your teachings, "Psychiana," that I took her Lesson One and told her the beautiful results to be had from such teachings, and asked her to read and believe. This she did and was much benefitted. Two weeks later, I took her the Second Lesson and brought back the first Lesson. Have continued this and this morning she has Lesson Seven, and her cancer is nearly healed, causes no pain and is less than one-fourth its former size. She sleeps well, eats well and is a HAPPY woman, thanking the LIVING GOD for the blessings received.

She asked me this morning to write you, telling of her fast improvement and her faith, and she desires the Course for her own.

I trust I did right in starting her off with my Lessons. I tell all those that I believe need such help but in no case would I furnish them with my Lessons (free) if they had money to pay for them.

With many thanks to you and the God-Law, I remain

Very truly,

(Signed) C. E. R.

My dear Dr. Robinson,

My pen cannot express adequately my gratitude to you for the beautiful "Brochure", the Psychiana records, the Psychiana pin, and the book, "The Name of the Beast '666'."

The book makes me thirst after more from the same Spiritual spring. How thrilled I was when I placed your record on the victrola--a charming surprise--to hear your voice alone filled me with a buoyant optimism, an attitude of assurance, and radiant hopes. Your words touched me most profoundly. It seemed to put me into the happiest mood and gave me a genuine confidence in myself and the world. The Psychiana teaching, truly, is the Leaven that is gradually purifying the world. It seems to be the salt that keeps civilization from decay. To me it has all the fascination of an adventure, and I assure you that without your teaching, Life would be very dull. I am indebted to you for the Spiritual realities you brought to me through Psychiana. THIS SPIRITUAL AWAKENING IS ABSOLUTELY MATCHLESS. IT IS LIKE A SPRING WHOSE WATERS CANNOT FAIL. Please allow me to send my most thankful acknowledgments for the favors you have conferred upon me.

May the Life Spirit aid you in spreading the Psychiana Teaching to every human being on this good old earth.

Very sincerely yours,

A-----W-----
