The Age of MIRACLES is NOT Over

Spur, Texas,
August 28, 1936.

Dr. Frank B. Robinson,
Moscow, Idaho.

Dear Dr. Robinson:

I agreed to report all benefits derived from your course of instructions. I confess I am unable to do that but here is one that to me is beyond value.

On the thirteenth day of August my boy twelve years of age drowned in the city swimming pool the water of which was very heavily charged with chlorine gas, bluestone and another strong chemical that I know not the name of. They told me that he was under that water at least five minutes before being rescued. They sent for a doctor who came and carried him to the hospital where they said there was no chance for him. I told them to do all they could and they did. On the fourteenth day I brought my boy home feeling good.

His lips, tongue, throat, lungs and tender tissues were burned badly and while I was doing my best to climb over that mountain of doubt the first Lesson of your Second Advanced Course arrived. I slipped away to myself and carefully read it. That information seemed to lift me far above that mountain top into the pure air of CONFIDENCE or FAITH of the POWER of GOD. I went back into the room where my boy was, and looked upon him with a smile of SATISFACTION that this old world knows but little of.

DOES IT WORK? Well, I just wish that HUMANITY knew more about the REALITIES of it.

You may use this letter any way you see proper. I can furnish a long list of eye witnesses and I am one that is ready to help spread the tidings of TRUTH. My desire is to be a CAUSE for RELIEF to suffering HUMANITY and the HE may pour upon YOU his BLESSINGS in your life work.

I am HAPPY that I enrolled with you and the further I go the better it gets.

Oh, if we could convince this world of the TRUTH, how different things would be for the better. Now as I seemingly look into your eyes and grip your hand, I say LIFE SPIRIT ABUNDANTLY BE WITH YOU.

Your Student,

J. O. ADCOCK.

My dear friend,

I want you to read the enclosed letters. It won't take you long. Especially do I want you to read the letter headed, "The Age of Miracles is Not Over." Then, turn to the letter from Stratford, Ontario, Canada. Then read the article which tells what happens in human lives when the Power of the God Realm as taught by me is used.

There isn't much more I can say to you. I have tried as earnestly as possible in five previous letters to you to call your attention to the fact that there does exist a Spiritual Power which is so dynamic that all other known powers or forces fade away into insignificance beside it.

There exists today more misconceptions regarding the Realm of God than enough. This God-Realm has been linked with superstition and pagan myth for so long that human beings have come to doubt the very existence of God. But I am bringing to you a message of hope, of cheer, of confidence, and of promise. Is there any reason, think you, why the Power of the Great God-Realm should not work in your life when it has worked in the lives of tens of thousands of my Students?

All I am asking you to do is to play fair with yourself. You are taking no chances. Our absolutely iron-clad money back guarantee protects you. So fill in the enclosed application blank and start my Lessons coming to you. Many Students have thanked God for the day this Teaching was brought to their attention.

Sincerely your friend and teacher,

FRANK B. ROBINSON
