A MOVEMENT OF THE SPIRIT OF GOD ON THE EARTH

## ★ Student's Registration Certificate ★

There is a great Love behind this Movement. It's a love, first for God, then for our fellow men and women. Dr. Tenney has given a lifetime of service to his fellow-men. Dr. Robinson has brought a New Conception of God to a world which sadly needs it.

**THE RESULTS OF THIS TEACHING IN HUMAN LIVES TO DATE HAVE BEEN ABSOLUTELY PHENOMENAL.**

In order that you may know for yourself the surging Power of the Realm of the Spirit of God, with all that this amazing Power brings with it, we are starting our Lessons to you at once. There is no charge whatsoever for this Teaching. Naturally, our operating expenses are very heavy. Our overhead for the year 1937 was more than \$100,000. We use modern up-to-date methods in the spreading of this Teaching, and as we have no source of revenue outside of what our Students send to us, we ask that every Student to whom we send these Lessons make a voluntary monthly donation to this work, just as long as that Student is receiving our Lessons. Our real reward comes from seeing lives changed through the dynamic Power of the God-Law, but our overhead expenses must be met. We feel that as you discover how to invoke and use the Power of this astounding God-Law, and as you see your life changing through it, you will be more than willing to do this for us. This is not asking much. We are sending our Lessons to you absolutely free of charge, and we ask you to help us send this message of peace, Power, and abundance around the world as fast as we possibly can send it. Much depends on this. Thousands apply for this Teaching who are absolutely unable to donate a penny towards it support. Please make your monthly donation as large as you consistently can. Our financial burdens are heavy, and a little cooperation from many helps a whole lot.

One Lesson comes to the Student each week.
