

"PSYCHIANA"

A MOVEMENT OF THE SPIRIT OF GOD ON THE EARTH

HANG THIS WHERE YOU CAN SEE IT
BETTER STILL — FRAME IT

THE UNITY OF PEACE AND POWER !

This picture, drawn by a devoted Student of "PSYCHIANA," shows exactly what we are teaching. All life on this earth not only comes from God, but is God. Your life, as shown above, is moment by moment linked with the great life which is God. You live, move, and have your being by virtue of the existing life of God. All the Power of the God-Realm is, therefore, at your disposal because of what you are and what your life really is. Could anything be plainer or simpler than that?
