

"PSYCHIANA"

A MOVEMENT OF THE SPIRIT OF GOD ON THE EARTH

SPECIAL NOTICE

As you know by this time, "PSYCHIANA" is only interested in one thing, and that one thing is that as many men and women as possible find the Power of the Realm of the Spirit of God as quickly as possible. This is all we are trying to do. Our files are literally teeming with the experiences of thousands who have found an utterly new and beautiful conception of God through this Teaching. As you know also, we set no price on these Lessons. We depend solely on the free-will donations of those who take our Lessons. We go the limit in sending this Teaching out, regardless of whether we receive anything for it or not.

We are not, however, an endowed institution. Nor are we a wealthy institution. Enough money must come in to pay all of our overhead and operating expenses, and this amount it is which decides just how many lessons we can send out to those who do not donate to the expenses of the Movement. Naturally, we are not in a financial position to send the Lessons out indefinitely to those who have not donated, regardless of how much we wish we could. We wish we had enough of a reserve fund to do this. Unfortunately we haven't.

We have faithfully sent our Lessons to you, but for some reason or other, your donations have not been coming in to us. Therefore, quite a hardship has been worked on us. We count so much on every Student to keep up his or her pledges, and when they don't, why we are the ones who have to face the embarrassment. We have gone the limit at this time in sending the Lessons, and we shall have to discontinue them for the time being. Not that we want to, because we don't want to. But we absolutely cannot meet our obligations, pay our ever-increasing postage bill and operating expenses, and send out any more free Lessons for the time being. Please understand, we are not taking your name off our Student roll. We are not permanently discontinuing the Lessons. Just as soon as we are financially able to do so, we will start them to you again.

In the meantime, don't you suppose that if you made a little tiny effort you could help us in meeting these expenses? I think you could. Will you? A little bit of help will lighten our burden considerably I assure you. May the Spirit of God be with you in a abundance always.

Cordially yours,

Frank B. Robinson
