A MOVEMENT OF THE SPIRIT OF GOD ON THE EARTH

A LITTLE PERSONAL TALK WITH DR. ROBINSON

TO MY STUDENTS

How are you enjoying your Lessons? You have, no doubt, discovered by now that the Invisible Power of the God-Law is a very dynamic thing. You have also realized that the solution to all of your problems lies in this God-Realm and this Realm alone. The answer cannot be found elsewhere. The invisible Life-Spirit, GOD, being the only Creative Intelligence there is, naturally is operating through every effort you make in this life. A recognition of that Power in everything you desire and do, automatically brings the correct solution of all problems to you. I am happy that your path crossed mine in this life. It will bring joy to me to know that you are finding and using the God-Law, and it will bring complete liberation to you, too, as you allow this dynamic Power to operate in your life.

NOW A WORD ABOUT YOUR DONATIONS TO THIS WORK

As you know, we have not yet received your Membership Certificate nor your contribution to this work. You probably have intended to send it to us but for some reason or other you have failed to do so. You will realize, of course, that we should have to be a very wealthy concern to be able to send out Lessons without limit to all Students, and without their doing their part in bearing the expenses. We cannot do that, and we don't believe you would want to continue receiving our Lessons without doing your part. That would hardly be fair—would it? Tens of thousands of men and women come to us for help and information regarding this Teaching, and it would take a millionaire to be able to send our Lessons indefinitely to that many, without any help from them.

So won't you now, while you read this, fill out the Membership Certificate and send it to us with your donation? We have not the money with which to send our Lessons indefinitely to those who fail to help us meet our overhead and operating expenses. 'Twould be, in all probability, a little thing for you to do, but it means a lot to us. We MUST pay our way. At the present writing we have bills to pay, and if every Student would put his or her shoulder to the wheel, the going would be easy. If YOU did YOUR part—it would help us a lot, I promise you. So won't you now, before you forget it, just sit down, fill out the enclosed Membership Certificate, and send along your contribution? We are trying to help you. Won't you try to help us? I'm sure you will. Thank you.

ENCLOSED IS YOUR LESSON NUMBER FIVE. It contains gems of Spiritual Truth. Study it carefully.

Cordially yours,

Frank B. Robinson
