"ANCIENT POWER OF GOD BEING RESTORED" says Dr. Robinson ----(subhead)

THOUSANDS ALL OVER WORLD EXPERIENCE AMAZING RESULTS FROM NEW TEACHING.

POWER CHURCH once possessed now man. thro. Psychiana

MOSCOW IDAHO November 1st 1937

What is described as one of the most staggering religious movements is being witnessed in every part of the world as the result of a new religious philosophy advanced some ten years ago by Dr. Frank B. Robinson of this city. To quote Dr. Robinson--"Within one week from the time I first released this Teaching about ten years ago, letters began to flood my offices here telling in unmistakable terms of the benefits, both material and spiritual which began to come to those studying "PSYCHIANA". They amazed me, and their first reaction was to convince me beyond any shadow of doubt that "PSYCHIANA" is a very true Teaching. These letters have continued to flood my offices here, and today they are coming in at a greater rate than ever before. I expect this Movement to be the greatest religious and spiritual revival this world has ever seen"

When asked what was the secret of the power behind PSYCHIANA, Dr. Robinson replied--"It is just simply the power of the God-Realm. This power was once possessed by the churches, but for some unknown reason or other they lost it. Now it is being restored to the world and through it, man can become what he will. In every land and clime, men and women are hearing of this Teaching, and, on enrolling for it, most of them witness rather remarkable changes. In my files are ~~ten~~ of thousands of letters telling in unmistakable terms what is happening everywhere when this new God-Power is discovered. There's nothing strange about it"--Dr. Robinson continued. "The great unseen Power which is God, and which formed this universe out of chaos millions of years ago, still exists. Its dynamic God-Power still exists, and it exists for the express purpose of bringing to men and women the things their hearts long for, but which things they cannot obtain through their own power. When a human life is linked with the divine life, and when the power of the Spirit of God operates and manifests in human lives, then nothing is impossible"

Dr. Robinson is one of the most outstanding citizens of Idaho. He owns a wonderful home here in Moscow, and has the only residence pipe-organ in the Inland Empire. He is well known for his gifts to those in need. In addition Dr. Robinson is President of the News-Review Publishing Company, owner of the Robinson Professional Building, the largest and most up-to-date office building in Moscow. In addition to that he owns the University Pharmacy, the Exclusive Pharmacy and the Third Street Tea Room. Mrs. Robinson is prominent in social affairs.

About ten years ago Dr. Robinson startled the people of Moscow when his ads began to appear in newspapers and magazines throughout the United States, calling attention to what he calls "The dynamic Power of the Spirit of God". Working in a local drug-store at the time, Dr. Robinson fast ~~rose~~ rose to fame and fortune. In one year's time his philosophy went into 67 different countries, and today Robinson is perhaps the most discussed religious leader in America.

One of the most significant things about his entire movement is the fact that a very large percentage of his Students write him telling of the many

benefits, both material and spiritual, obtained through the "God-Law" as taught by Dr. Robinson. In the month of October 1937 alone, close to 1000 such letters had been received by Dr. Robinson in Moscow. His mail alone keeps the local Post Office in the "first-class" rating. We are publishing on another page some of the excerpts from some of the letters Dr. Robinson has received during the month of October. One can hardly read such letters without wondering where such a movement will end. It might very easily be true that, as Dr. Robinson states, "this great God-Law and its respoed power will be the greatest spiritual revolution this world has seen to daté. When men and women realise that the Power of God can be used here and now by them--it will make quite a difference in their lives. This is happening, and as this dynamic Power gtransforms lives, I think it eventually will bring to the earth what has been alluded to as the "millenium".

Dr. Robinson has a 14 year old son Alfred, and a five year old daughter Florence. The Doctor and his family have resided in Moscow about ten years, coming here from Yakima Wash where Dr. Robinson was employed as a druggist with the Pioneer Drug Co. How rapidly Dr. Robinson has achieved fame is evidenced by the fact that his name appears in the International Blue Book of famous living celebrities this years. The only other two men to have that honor are Senator Wm. E. Borah, and Dr. C. W. Tenney, assistant to Dr. Robinson.
