TO SEND YOU MY LECTURE.**

The name "PSYCHIANA" is fast becoming a household word. Only nine years ago I released to the world a Teaching that evidently is what the world wants. At any rate, inside of one year from the day I released this new and very unusual Teaching, I had received requests for information regarding my Teaching from 67 DIFFERENT COUNTRIES. In response to my national announcements, requests for information came to me by the thousands. Students have enrolled for my Teaching also by the tens of thousands. EVERY DAY LETTERS COME TO ME FROM STUDENTS AND MANY OF THESE LETTERS WOULD OPEN YOUR EYES IF YOU COULD BUT READ THEM. The one word most used in these thousands of letters is the word "WONDERFUL." Therefore—it is safe to assume that what I am teaching my Students is the TRUTH, and ACTUALLY WORKS.

What I Believe and Teach—

- FIRST:— That there exists an unseen Spiritual Power, so dynamic in itself that all other powers fade into insignificance beside it.
- SECOND:— That the church today has entirely misinterpreted the spoken words of the Galilean Carpenter, and has made of religion a thing of the "FUTURE" instead of something that works TODAY.
- THIRD:— I believe and teach there is no power in existence that can even remotely approach the Power of the great GOD-LAW for the ACTUAL MANIFESTATION of the things we need today. I believe that when Jesus said "The things that I do shall ye do also," he meant exactly what he said.
- FOURTH:— I believe that instead of "God" being a personality, it is an IMMUTABLE SPIRITUAL LAW, which Spiritual Law WORKS INFALLIBLY when the conditions governing it are complied with. In other words—I believe that there exists a Spiritual God-Law which can be used every day by everyone, for the manifestation of the material things they desire, as well as for the spiritual things.

Then you can read it, and if its logic appeals to you, you will be given an opportunity to find out more of this unusual Teaching called "PSYCHIANA." THE LECTURE COSTS YOU NOTHING. Whether you want the Teaching or not is entirely up to you. If it should be that I am correct, and if there is a God-Power at your disposal ready for your use, then you want to know of it, I am sure.
