

Someone Once Said:

“IF A MAN KNOWS THE TRUTH, LET HIM SHOUT IT FROM THE ROOFTOPS”

THAT IS EXACTLY WHAT I AM TRYING TO DO, FOR I KNOW AT LEAST A FRACTION OF THE TRUTH ABOUT WHAT GOD REALLY IS.

AND WHAT I KNOW DOESN'T JIBE WITH WHAT I WAS TAUGHT IN CHURCH.

What God Is Not

(AND WHAT HE DID NOT DO)

God is not, and cannot be a personality of any sort. Nor is he seated on a throne in “heaven” or anywhere else. God DID NOT make man from the dust of the ground. He DID NOT curse the ground neither did he curse man. He DID NOT cause a deep sleep to fall on man, making a woman from man’s rib. God DID NOT create man a fallen being, neither did man himself ever “fall.” Nor is any “crucified savior” necessary for man’s “salvation.” God DID NOT send his son down from “heaven” to “redeem” man. History and tradition record at least a score of “crucified gods” long before the year A. D. 1. God DID NOT enter into the womb of any virgin, he never was crucified; he never arose from the dead because God could not be killed—neither could He die. God DOES NOT sit on a throne in “heaven” writing down what we do here, neither will he ever come back from “heaven” to “judge the quick and the dead.” He HAS NOT prepared a lake of fire for the “devil and his angels,” nor is there any such thing as “eternal torment” for anyone, good or bad. We reap the rewards of our actions here and now. God DID NOT assign to any church organization “divine” authority, nor is there need for preacher or priest to act as “mediator” between man and God. No original manuscript has ever been known to exist telling of these things. They are a church origination. God never was, nor ever can be a personality of any sort.

What God Is

GOD (if you care to use the word) IS a scientific Spiritual, invisible POWER. This power exists NOW for the giving of life to us all. We come into contact with the Realm of this God-Power when we take our first breath, and this body gives up this Power when it has breathed its last breath. GOD DOES EXIST HERE AND NOW AS AN UNSEEN SPIRITUAL LAW IN ORDER THAT YOU AND I MAY HAVE AN ABUNDANCE OF POWER, PEACE, JOY, HAPPINESS and MATERIAL SUPPLY WHILE ON THIS EARTH. GOD DOES exist in the atmosphere all around us, and through all inter-stellar space. In fact this GOD-LAW is EVERYWHERE. Its power is absolutely unlimited. It can bring health, wealth, peace, and anything else desired—in fact it exists as a scientific spiritual Power or LAW for that very purpose. This Law acts for all alike. It does not save some and damn others. It is no respecter of persons. It provides and responds for all alike. It knows nothing of any “future” for it exists in the eternal NOW. Every reader of this message may have, HERE and NOW, and THROUGH THE POWER OF THIS LIVING SPIRIT—an abundance of everything life holds for him. HEALTH, WEALTH, PEACE, JOY, HAPPINESS—ALL THESE THE SPIRIT OF GOD EXISTS TO BRING TO US—HERE AND NOW.

**THIS IS THE PICTURE OF GOD AS
TAUGHT BY**

“PSYCHIANA”

and “PSYCHIANA” Students by the thousands will agree that this definition of
God is the true conception of this great Scientific Spiritual Law.

**THIS IS THE TRUTH I AM SHOUTING
FROM THE HOUSETOPS,**

And the reason I am shouting it is because it is true.

Soon, This Scientific God-Power Will Be Known Throughout the World

So don't underestimate the staggering statements this circular contains.

**THE WHOLE WORLD IS SEETHING WITH UNREST IN ITS SEARCH
FOR PEACE.**

This peace will be found when men and women realize that there does exist, all around them, the most dynamic Law the world has ever known. It created the world. It keeps it in motion. It created us all, and in this God-Realm we live and move and have our being. It's the most dynamic existence encircling all of us—in fact when we grasp the staggering fact of the presence, actual and real, of this Power-Realm in and through us, awaiting to obey our every command, our lives will change from weak, fearful, negative things into existences of beauty, power, achievement, supply, and peace. This is the message I bring to you. I don't know who you are, nor does it make any difference. The God-Power actually exists, and responds to your every right desire. Not in the future but here and now. Think what your life might be if your every right desire was capable of fulfillment through the potent dynamic, all-pervading, all-creative Spirit of Life which lives in you and which can give you whatever things you desire. Religious organizations and religious text books (like the bible) promise these things in the “hereafter.” I promise them to you now—by and through the Power of the Realm of the Spirit of God—Will you accept them? Of course, you will.

THE BLIND SHOULD NOT LEAD

If religious leaders do not know the truth, how can they lead the way? Untruth makes men slaves, and, taught as truth, it poisons the well where honest seeking souls drink. Heaven help those who misguide and betray innocent travelers along life's highway. If the truth makes men free, which it does, then untruth enslaves. “PSYCHIANA” believes and teaches that almost everything we have been taught about “God in Heaven” is untruth. That's a broad statement but we will attempt to prove it to you if you will give us an opportunity to do so. Much opposition and much pressure has been brought to bear to try and stop this Teaching. It's still going out, though, and we will be happy to tell you more about it if you are interested enough to inquire. In its first year “PSYCHIANA” went into 67 different countries. Where it will end no one knows. It will not end, we believe, until the whole world has grasped this new conception of God. Send your letter of inquiry to us now.
