

"PSYCHIANA"

A MOVEMENT OF THE SPIRIT OF GOD ON THE EARTH

★ HERE IS YOUR LESSON NUMBER SEVEN ★

HOW LONG WILL THESE LESSONS CONTINUE TO COME?

Here is your Lesson No. 7. It's a beautiful Lesson. Personally, I consider all of these Lessons masterpieces. Dr. Robinson has come far closer in these Lessons than he realizes, in making "PSYCHIANA" a PURE RELIGION, AND UNDEFINED. Each of them is designed to bring to you flashes of Spiritual Truth and Power. It is hard indeed to study these wonderful Lessons and not know, beyond a shadow of a doubt, that God has spoken to this man. No man can write as Dr. Robinson writes, of the things of God, unless the Spirit of God be with him.

You may wonder how long we can afford to keep these Lessons coming to you without your helping us in this work. Frankly—we do not know. We shall keep them coming to you just as long as we possibly can. We are not interested in your money. We ARE, however, interested in YOU. We want you to know the present existing Power of the God-Law, and, in order to bring that knowledge to you, we will go the limit. When God speaks in your life, that life will be a transformed thing. 'Twill be a beautiful thing. And this, and more, is for you. We shall, we repeat, go as far as we can go in bringing to you the consciousness of the great God-Presence. But we must pay our bills. We had hoped that before this you would have seen the need of your doing your bit, and we are a little disappointed that we have not yet received your Student's Membership Certificate. We are not a wealthy concern. We are only interested in bringing to you the good tidings of the new conception of God. It may be that the burden of sending these Lessons to you, and to tens of thousands of others, without recompense, will become a little bit too heavy. If it does, we shall be compelled to discontinue them until such time as enough money has come in to meet all of our obligations. We know that you will understand if this happens. The cost of securing your reply to our advertisement, with the subsequent expense of the preparation of these Lessons, has been quite a little bit. We know that we did not have to send them. But had we not sent them, how would you have known of this God-Power? No one else is teaching it that we know of.

If you are in a position to help us continue to send this message of peace and Power round the world—won't you do so? We shall not coax. We shall not beg. We shall leave it to your sense of right and wrong. If it should be that you do not wish these Lessons continued, won't you please write and tell us so. We can't conceive of that at all. But we have not yet received either your Membership Certificate or your free-will donation. Won't you let us hear from you? We would like to.

Cordially yours,

C.W. Tenney

11/16/38.

"PSYCHIANA"

A MOVEMENT OF THE SPIRIT OF GOD ON THE EARTH

SPECIAL NOTICE

NOV 12 1938
Pulled 11/16/38

As you know by this time, "PSYCHIANA" is only interested in one thing, and that one thing is that as many men and women as possible find the Power of the Realm of the Spirit of God as quickly as possible. This is all we are trying to do. Our files are literally teeming with the experiences of thousands who have found an utterly new and beautiful conception of God through this Teaching. As you know also, we set no price on these Lessons. We depend solely on the free-will donations of those who take our Lessons. We go the limit in sending this Teaching out, regardless of whether we receive anything for it or not.

We are not, however, an endowed institution. Nor are we a wealthy institution. Enough money must come in to pay all of our overhead and operating expenses, and this amount it is which decides just how many lessons we can send out to those who do not donate to the expenses of the Movement. Naturally, we are not in a financial position to send the Lessons out indefinitely to those who have not donated, regardless of how much we wish we could. We wish we had enough of a reserve fund to do this. Unfortunately we haven't.

We have faithfully sent our Lessons to you, but for some reason or other, your donations have not been coming in to us. Therefore, quite a hardship has been worked on us. We count so much on every Student to keep up his or her pledges, and when they don't, why we are the ones who have to face the embarrassment. We have gone the limit at this time in sending the Lessons, and we shall have to discontinue them for the time being. Not that we want to, because we don't want to. But we absolutely cannot meet our obligations, pay our ever-increasing postage bill and operating expenses, and send out any more free Lessons for the time being. Please understand, we are not taking your name off our Student roll. We are not permanently discontinuing the Lessons. Just as soon as we are financially able to do so, we will start them to you again.

In the meantime, don't you suppose that if you made a little tiny effort you could help us in meeting these expenses? I think you could. Will you? A little bit of help will lighten our burden considerably I assure you. May the Spirit of God be with you in a bundance always.

Cordially yours,

Frank B. Robinson

“PSYCHIANA”

A MOVEMENT OF THE SPIRIT OF GOD ON THE EARTH

STUDY LESSON 7

by

FRANK B. ROBINSON

“MAN CAN NOW TALK WITH GOD”

It's Sunday morning as I write this to you, and all is very quiet here in my study. The little City of Moscow is still in profound slumber. For it's very early in the morning. The moments in which I get closest to God, are usually in the morning. For I like to be alone. Alone with God. I don't want the noise of the city to interfere. I want the tall swaying pines to waft to my anxiously awaiting ears, the peace which is God. For I can find more of God, early in the morning among God's handiwork, than I can when the toil and noise and bustle of business is in full swing.

Soon, the church-bells will begin to ring. The worshippers will wend their way to their respective churches. For Moscow is a City of churches. I trust that every worshipper in every Moscow church this Sunday morning, finds the infinite sweetness of the indwelling Power of the Spirit of God. I hope it means more than just attending church from force of habit. I hope each one will emerge, thrilled and filled with the dynamic Power which can enable them to go out and spread the good news of the present existence of God to all the world.

Five telegrams were under my door this morning, and shall we see what they contain? It will no doubt give you a little insight into what actually transpires here in Moscow as a result of this Movement of God. Let's look at them and see. More wires will be in before the day is over. For they come from all over the world. Thousands of them are in my files. And, in spite of the volume in which they come to me, I know of no case where the God-Law has not worked to the complete satisfaction of the sender of the wire. In a previous Lesson I called attention to a telegram I received while speaking in the Shrine Auditorium in Portland, Oregon, last year. The results you will recall.

The first wire comes from New York City. This is what it says: "HUSBAND LOUIS ——— VERY ILL BELLEVUE HOSPITAL PLEASE DO WHATEVER POSSIBLE." The second wire is from Fairmont, W. Va. It says this: "PLEASE GIVE TREATMENT INFECTED NERVE IN LEG PAIN INTENSE YOUR STUDENT." The third wire comes from Chicago. It states as follows: "DEAR DOCTOR PLEASE TAKE MY CASE NOT STRONG ENOUGH MYSELF PNEUMONIA." The fourth wire

is from Salt Lake City. It states: "TREAT OLLIE MAY JARVIE HAD GALL BLADDER REMOVED SINKING FAST." Wire number five says: "PLEASE PUT THE GOD-LAW TO WORK FOR ——— CONFINED IN NAPA STATE HOSPITAL FOR THE INSANE I THANK YOU." These are typical wires which come to me every day.

These wires were, of course immediately answered by Dr. Tenney or myself. The chances are that in every single case, the results will be sure. They always are when the Power of the Spirit of God is applied against all manner of illnesses and other undesirable circumstances. We have no way of course of knowing these good folks personally. But it makes no difference. In every case, we shall, I expect, shortly receive a letter or a wire which will state something like this: "ON SUNDAY I WIRED YOU FOR HELP IN THE CASE OF ——— SHE HAS RECOVERED." And this has been going on here for nearly ten years. Yet the world is just beginning to wake up and find out what is being done for God here in Moscow. Sometimes I am a bit stunned when I think that I, of all men, have been chosen to bring this new revelation of God to a world anxiously waiting to receive it.

Surely there were people far more capable of doing this work than I am. But I don't question the Law of God ever. The vision was given to me. It is, therefore peculiarly MY job, and no one else's, to spread this good news to the four corners of the earth as quickly as possible. I want every Student to help me. If you are a wealthy man or woman, then do your part in making the spreading of this Teaching as rapid as possible. Many could send me a check for a thousand, or ten thousand, or one hundred thousand dollars if they cared to. I trust that the Spirit of God urges you to do this. If it does, then obey. For your reward will be very great in Spiritual blessing and satisfaction.

I don't usually talk business in these Lessons. But these five telegrams show the absolute necessity of this work going round the world in the quickest possible time. I do not operate this Movement for profit. As I explained, it is essential, the way we operate, that all expenses be met. Last year, we spent more than one hundred thousand dollars in operating expenses. Other years we have spent more than that. And what are we doing? We are bringing to men and women throughout the world, the true picture of God and the Power of the God-Realm. The picture has NOT been given to the world before by anyone. The results which follow this teaching have NOT been duplicated by any before us. I wish they had. I wish every religious organization in existence could do through the Spirit of God, what we are doing here. It wouldn't take long then to straighten out this old sin-sodden and benighted world.

And the world will never be straightened out until this is done. If other religious organizations do not come to the front with the same experience of God that we have, and manifest the same Power of God, they will not last too long. For this new picture of the Power of the Spirit of God is destined to sweep the entire world. It cannot be otherwise. For the time is ripe. Things cannot go on as they are. Unbelief in the present existence of the Spirit of God has taken its toll. And a terrible toll it's been. Organizations, supposedly operating in and through the Power of God, have for centuries stood positively impotent to stem the tide of immorality, crime, social unrest, poverty, illness, etc., which is sweeping the whole world. For some reason or other, they have seemed to have a form of godliness, but the world knows the Power is not there.

I speak very kindly. I love them all. So does Dr. Tenney. We would do whatever we could to help them—if they would but let us. Perhaps, some day, they will see that only here is being demonstrated the actual Presence and Power of the Realm of the Spirit of God. And we teach entirely by mail. But then, the Spirit of God does not need buildings made with human hands. It doesn't exist to save buildings. It exists to save human lives. Therefore, we go direct to human lives with this Power.

We call attention to this Movement by inserting advertisements in the magazines, and daily newspapers throughout the world. We have radio programs whenever we can get them on the air. Sometimes, some religious organization attempts to keep us off the air because we do not teach the same picture of God that it teaches. And, being bigger than we are, they have succeeded. But only for a time. For any Movement through which the Spirit operates, cannot be stopped by any human organization. Therefore, in due time, and in spite of all opposition, we shall have the unspeakable privilege and joy of seeing our Movement accomplish that for which it was sent.

God is a Spirit. God is the only Spirit there ever was. There are not "evil" spirits and "good" spirits. There is but one Great Spirit—God. This Spirit—God—operates as a God-Law. It is sure. It is abundantly able to do that for which it exists. It manifests its Power in your life and in mine, every hour of the day and night. It works in a mysterious way. You cannot understand its workings. You don't need to. You will, some day. But the main thought here is that God, as we are teaching God, is an ever-existent Spirit, existing in you, and from which Spirit you derive your life. In God, you live, you move, and you have your being.

In this Realm of God is more Power than you can ever need. That Power exists now. It exists for YOUR personal benefit. Are you weary? This Power can give you rest. Are you heavy-laden? This Power can remove the burden. Are you tired of a useless life? Then this Power can fill that useless life with abundant energy, and abundant Power. Perhaps you feel that the black clouds of despair have gathered round your head. Is life empty for you? There is, within you, a great SLEEPING GIANT which, once awakened by you, can give to you an ocean of staggering Spiritual Power.

I'm a little bit reminiscent this Sunday morning. The burden of the five souls in these telegrams is on my heart. Will they—can they understand that God, the great Life-Spirit, can bring healing to them in every instance? That, I don't know. I wish I did know. I'm quite sure it will though. For much can be done for the other person, through one's own faith in, and experience with, the Realm of God. So I shall not worry over these five good souls. They will all recover. God is that sure.

Regarding the exercise I gave you to do. Please practice the relaxing exercise until you are sleeping peacefully as a child. Please continue the statement: "I BELIEVE IN THE POWER OF THE LIVING GOD" as often as you can repeat it. When the change begins to come, be happy over it, and don't forget to voice a little word of thanks to the Power of God. I don't like to talk about my inner life. The moments spent with God are very sacred to me. Yet to see me on the street you wouldn't know I ever heard of God. I'm happy as a lark usually. Full of fun. Always enjoy a good joke, and very often perpetrate one on some friend of mine. Yet under all that happiness, which, by the way, is perfectly natural, there are moments when I get alone with God. Many such moments. As a matter of fact, (and I only tell you this to help you) my whole life is lived in communion with the present Spirit of God. I commune every moment of the day. It makes no difference how much business there is to attend to, I can instantly withdraw and there—in the quietness of my own life, I find and talk with God. And why not? If my life comes from God, and if it is the Power of the Spirit of God which gives me life, then why can I not commune with God at any hour of the day or night? Of course I can. And so can you. Get away from that toil and care of life for a moment or two every day. Keep still. Listen for the "still small voice." Be tense, if you know what I mean. Yet—be relaxed. Perhaps I should say, let your desire to know God be the most outstanding thing in your character and make-up. For, as one of my Bibles puts it, "IN THE DAY WHEN YOU SEEK ME WITH ALL YOUR HEART, I WILL BE FOUND OF YOU." That is an absolute fact. It isn't that God is hard to find. It is the fact that YOU WILL NOT TAKE THE TROUBLE TO FIND GOD. Maybe you think, by what you may have been taught, that God does not exist.

I am perfectly willing to admit that God, as some teach him, does not exist. But remember please, you are now studying a teaching which will demonstrate the Power of God in your own life, if you will let it. For, sweeping out of the black chasm of the void, out of the blackness of a sinful night, has come the thunderous message of a mighty Power. Born on the wings of lightning, pulsing to every corner of the earth, the dynamic forces of the God-R Realm can come to you. **THEY CAN REBUILD YOUR LIFE.**

Despair, want, fear, all these, fall before the unswerving Power of the Great God-Law, and through that Power, you can become what you will. In closing this Lesson, may I ask you to increase the time of the period you spend alone with the Life-Spirit. By this time it is, undoubtedly making its presence known to you. Not to a very great degree yet, perhaps. But you are feeling a difference, and you do know what I am teaching is true. Then, quietly, but eagerly go on. Don't stop. I will take your hand and lead you very gently into that Kingdom of invisible Power which is God. You may have to jump over a rock once in a while. You may have to depend absolutely on me. But never fear. I know the way. I will lead you straight. Under no circumstances would I ever try to fool you. I would be a man unfit to live if I would do that. And I don't think anyone ever has questioned the honesty or sincerity of this Movement. So until Lesson 8 comes to you, may the Spirit of infinite Peace be your guide.

Just another thought or two before I close this Lesson. The affirmation I gave you in the last Lesson is a very real one. I BELIEVE IN THE POWER OF THE LIVING GOD. That statement, if you continue this affirmation, will come literally true. The chances are it is not true now, for the simple reason that, in all probability, this is the first time you have ever had these new Truths of God called to your attention. There has to be a first time for everything, however, and you are indeed fortunate that you were led to answer our announcement in a newspaper, magazine, or over the radio. Whenever or wherever a man or woman is anxious to find God, you may be sure that it will not be long until such a one does find God. That was not always the case.

Personally, I sought for years for God. As you know, I tried minister after minister. I was baptized five times. Still I did not find God. Then when I did find this dynamic Power which is God, the very first thing I wanted to do was to tell others. I realized to the very full that I was bringing a very new and somewhat revolutionary conception of God to the world. I knew, and I have proven since, that to attempt to bring a new conception of God to the world is to incur the enmity of those who do not want their present ideas of God upset. I knew that—and, any a less brave heart would have quailed before the task. But, as I say, God evidently knew his man. The revelation of God to me, was accompanied by a Spiritual manifestation which could have come from no other source. I KNEW, AND I STILL KNOW THAT I BELIEVE IN THE POWER OF THE LIVING GOD. NOT ONLY THAT, I LIVE MY LIFE, TO THE BEST OF MY ABILITY, IN THAT SAME POWER.

And look at what happened by one humble man, an obscure drug-clerk, when he stepped out on the Realm of God. Perhaps a larger Movement than this one is may result from YOUR communion with God. I sincerely trust it will. But keep this affirmation alive. Let thoughts of God be the predominating thoughts. Then watch results come to you.

Cordially your friend,

Frank B. Robinson
