

DR. FRANK B. ROBINSON'S FORMULA FOR REVEALING THE POWER OF THE SPIRIT OF GOD TO THE CHURCHES, AND FOR THE ELIMINATION OF THE FORCES OF EVIL WHICH ARE BATHING THE EARTH IN BLOOD, AND BRINGING DESOLATION AND DEATH TO COUNTLESS THOUSANDS

In 1935, Dr. Jean S. Milner, then Pastor of The Second Presbyterian Church in Indianapolis, wrote a book entitled "THE SKY IS RED". The following quotation is the closing paragraph from that book:

"WE ARE LIVING IN ONE OF THOSE RARE PERIODS OF TIME FROM WHICH GREATNESS CAN EMERGE THROUGH THE RENEWAL OF THE HUMAN SPIRIT BY A MORE VITAL CONTACT WITH THE ~~THE~~ GREAT SPIRIT. SUCH MOMENTS, SO PREGNANT WITH TREMENDOUS POSSIBILITIES, ARE NOT OFTEN VOUCHSAFED TO MAN. A SWEEPING MOVEMENT CLIMBING UPWARD TOWARD THE BUILDING OF THE WORLD OF OUR DREAMS—OR—A SPIRAL DOWNWARD TOWARD DISASTER SEEM TO LIE JUST BEYOND THE BORDERS OF OUR DAY. ONE CANNOT VIEW WITH SERENITY THE POSSIBILITY OF OUR FAILING TO TAKE ADVANTAGE OF THIS SUPREME MOMENT IN TIME. OUT OF SUCH MOMENTS MAGNIFICENCE COMES. THE CHRISTIAN CHURCH HAS AN OPPORTUNITY NOW, WHICH, IF SHE LET SLIP THROUGH HER FINGERS, SHE MAY NEVER HAVE AGAIN. SHE MUST PROVE HERSELF WORTHY OF THE LEADERSHIP DEMANDED OF HER. SHE WILL SERVE THE WORLD WITH CHRISTIAN GREATNESS OR BE REPUDIATED BY IT. THE SPIRIT OF CHRIST WILL NOT LEAVE THE EARTH, BUT HIS SPIRIT WILL LIVE IN INSTITUTIONS OTHER THAN OUR OWN.

This prophecy is more true today than it was in 1935. The statement is a direct challenge to The Christian Church, and the claims this Church makes of being divinely appointed by God to bring peace, joy, happiness and salvation to the nations of the earth. Some 2000 years have elapsed since The Christian Church was founded. The world today is a damning indictment of the failure of The Christian Church to do any of these things. Yet they can all be accomplished, if The Christian Church but knew it. If they cannot be accomplished, the powers of hate, death, destruction, and evil are greater forces than the Power of The Spirit of God. If The Christian Church cannot rise up in might, and, through the Power of The Spirit of God, bring the insane ravages of mad-men to a speedy end—The Christian Church cannot possess the Power of the Spirit of God in sufficient measure. If such despots as Hitler, Mussolini, Hirohito are allowed to continue to rape this fair earth, created by Almighty God, The Christian Church, if honest, must admit its failure to manifest the Power of the Spirit of God, which Power surely is greater than the negative, physical, death-dealing power of the dictators. This, no thinking person can admit.

The Robinson Plan has been devised by a man whose only aim in life is to make the Power of the Spirit of God known to the ends of the earth. He was born for that purpose. He has often been alluded to as "one of the greatest spiritual geniuses of all time". He is not a member of The Christian Church. Some fourteen years ago he gave to the world what had been revealed to him by The Spirit of God as the actual truths concerning the operations of that Great Spirit. He was then working in a little drug-store in Idaho. Today he leads what is perhaps the largest body of men and women in the world, engaged in religious work, and having no church buildings, meetings, etc. The Movement operates entirely by mail. Its estimated number of followers is close to one million.

During the fourteen years that have elapsed since this man gave his revelation to the world, many remarkable demonstrations of the Power of The Spirit of God have been witnessed. So many, in fact, that it has been found impossible to keep count of them all. A record was kept up to about 200,000. Now, so many of these experiences come in that they are not kept. While not agreeing with many of the doctrines, beliefs, and traditions of The Christian Church, Dr. Robinson loves it with a passion seldom found. He has originated and devised The Robinson Plan for the Churches in order that they too may witness the remarkable

demonstration of the Spirit of God, which have followed his ministry. Dr. Milner predicted that unless the Christian Church takes advantage of this most supreme moment in Time, the Spirit of God, not being willing to leave the earth, would manifest through, and live in institutions other than The Christian Church. Dr. Robinson does not want to see this happen. He does not believe it necessary that it should happen. But he sees very clearly that unless something dynamically different comes to The Christian Church, the very thing Dr. Milner predicted WILL happen.

The issue in this weary, war-torn earth is simple—yet The Christian Church persists in clouding it in mystery. It insists on never departing from the letter of its creeds, traditions, and rituals. But those creeds, traditions, and rituals over a period of 2000 years have not revealed the Spirit of God to the nations of the earth. What is wrong with them? For how much of the present world situation can The Christian Church be blamed? No man who loves God and The Christian Church can look with indifference upon the chaotic conditions and confused thinking of our time. And it would be traitorous for one believes he see The True Light not to bring that True Light to The Christian Church. Whether or not The Christian Church realizes its ~~condition~~ impotence in the world, and desires to know the True Light is something for The Christian Church to decide for itself. Personally we believe it does. Or it soon will, as world conditions become worse and worse, which they will if The Christian Church does not speedily discover HOW the Power of The Spirit of God may be found and used. For, we repeat, the issue is simple.

WHAT THE ISSUE IS.

It is an issue between the Power of the Spirit of God and the powers of brutal, despotic evil and darkness. It is an issue of Life versus Death. Is the Power of the Spirit of God greater than the powers which are devastating this earth? Or is God an impotent non-entity, existing only in the imaginations and traditions of The Christian Church? That is the issue. That is the only issue. Today we witness a final battle (perhaps) between the powers of darkness and the Power of the Spirit of God. And who shall it be that carries the torch of the Spirit of God against the powers of darkness if not The Christian Church. Or is Dr. Milner correct? Is the Spirit of God manifesting through organizations other than the Christian Church? What other organization is there which should be lifting this banner of The Spirit of God high, and leading the American people, through the Power of the Spirit of God to final triumph? And what will the Great Spirit do to the Christian Church if it fails in this hour, so very dark, yet which could be so very light if The Christian Church should awaken from its lethargy?

Dr. Robinson is not interested in the cause of the lethargy of The Christian Church. He is not interested in its failures. None is perfect. He is, however, vitally interested in passing on to the Christian Church the revelation of the Power of The Spirit of God, which revelation he gave to the world some fourteen years ago. He is interested in seeing The Christian Church less interested in its favored traditions and more interested in the actual manifestation of the Power of the Spirit of God here on earth, here and now, when a true application of the Spirit of God to this world's sickness can heal it. That is what he wants to see. That is why he brings The Robinson Formula to The Christian Church. Not one Church in the United States will allow Dr. Robinson in its pulpit—but he still loves it; he still wants more than anything else to bring to it the Power—the Living Power of the Spirit of Almighty God. If Dr. Milner is correct, and the Spirit of God might leave the Christian Church and manifest through other institutions, this should by all means be prevented regardless of the cost or sacrifice. If every tradition the Christian Church has ever advocated has to go over the dam in order that the Church may be baptized with the Power of the Spirit of God, those traditions had better be let go.

But that is not necessary. The Spirit of God can manifest through The Christian Church even with its four or five hundred different sects, creeds, cults, and denominations if the Church will allow It to. The question is—will the Church allow the Spirit of God to operate through it? Or will it insist in "standing fast in the traditions of a couple of thousand years ago. They have never been able to bring God to humanity. They are powerless to save the world today. But is The Christian Church honest enough to want the Baptism of the Spirit of God more than anything else? We cannot answer that. That is something for the churches themselves to decide.

SHALL WE TRUST GOD?

③ THE ROBINSON FORMULA

The Spirit of God is almost invariably made manifest in the stillness of the human soul. It is speechless. It is deathless. It is a silent Spirit. Power—yes, dynamic Power lies in that Great Spirit. One is much more apt to catch its life-giving fragrance in the stillness. For then, in that stillness, outside influences are shut out; then, the Spirit of God can speak assuredly although inaudibly to every human soul who listens. If the spiritual impulses which come from the silent Realm of the Spirit of God are translated into actual dynamic spiritual power, some effort must be made. It is not sufficient to bask in the sunshine of the smile of the Spirit of God. That cannot save this world. But the Power of the Spirit of God can be translated into potent, dynamic, positive, active spiritual power against which no earthly power can stand—and every minister or church member who reads this has, at his or her disposal, more of the Power of the Spirit of God than he or she will ever be able to use. Does The Christian Church believe this? If it does it is safe—provided it acts upon it.

HOW TO MAKE THE INVISIBLE POWER OF GOD A POTENT EVER-PRESENT ~~###~~ POWER IN EVERY CHRISTIAN LIFE.

The Power of the Spirit of God can be SPOKEN INTO ACTUAL MANIFESTATION. IT RESPONDS TO THE SPOKEN WORD. Not the word of doubt, or of failure, or of tradition, BUT THE WORD OF ACTUAL FAITH. If we get alone with the Spirit of God, and there, in that stillness find the Presence and Power of God, THAT POWER CAN BE TRANSLATED IN PHYSICAL MATERIAL ACTION BY THE SPOKEN WORD. We repeat—THE INVISIBLE POWER OF THE SPIRIT OF GOD CAN BE SPOKEN INTO ACTUAL MANIFESTATION. This is the secret the Christian Church should learn. It should have enough faith in its God to know that no earthly power can withstand the invisible Power of the Spirit of God. But it should know something else—it should know that the Power of God is dynamic. It should know that listening to a sermon cannot demonstrate the Power of the Spirit of God. That Great Spirit will have to be manifested IN ACTION, just as much as the warring hordes of the dictators are manifesting in action. Not with tanks, flame-throwers, submarines however, for the Spirit of God does not operate in that manner. It is Spirit. It is fathomless in its ability to ~~###~~ dethrone evil. But It must have someone through whom It can manifest. The Spirit of God is static as far as The Christian Church is concerned; It can be made dynamic through the SPOKEN WORD OF EACH OF US. The Christ of the Christian Church manifested that Power by SPEAKING IN A LOUD VOICE. So can the adherents of The Christian Church do likewise today.

* * *

The hundreds of thousands of remarkable manifestations of the Spirit of God which have been witnessed during the past fourteen years, have happened through the following simple formula. It is super-charged with the Power of the Spirit of God. It makes no demands for any certain "faith" or "belief". We have no "articles of faith". All we know and believe in is the present existence of The Spirit of The Living God. That is sufficient. Dr. Robinson advocates that the one endeavoring to "talk with God" get alone. He asks that all outside influences be put as far away as possible. Then he asks his Students to keep absolutely silent, knowing that they are in the actual Presence and Power of Almighty God. Then, when the consciousness of God is recognized, the Student is asked to repeat ALOUD, several times, standing on his or her feet; "I BELIEVE IN THE POWER OF THE LIVING GOD". This is done for several weeks, or until a LIVING FAITH in the Presence and Spirit of God begins to manifest. Other, and more advanced statements are given as the Student progresses. This is making the Spirit of God a LIVING REALITY to that Student. Instead of just reading the Lessons, HE PRACTICES MAKING THE SPIRIT OF GOD REAL. HE WORKS AT IT—and he succeeds. Pretty soon, that Student KNOWS, beyond the shadow of doubt, that he is in tune with the Infinite, and, whenever the need arises, he is able to bring the Power of the Spirit of God into play against all undesirable conditions.

HOW THE CHRISTIAN CHURCH MAY SECURE THE SAME RESULTS

(4)

When the Power of the Spirit of God is spoken into actual operation, every conceivable kind of illness disappears. Men and women are loud in their praise. They glorify God. Some of them shout. But the most important thing is that Almighty God is now a Living Reality in their lives. They know something of the Power of The Spirit of God. And that power, unitedly used by The Christian Church, can bring Hitler, Mussolini, and Hirohito to their just end, and will do this by the Power of It's own Might. Do you see that?

We suggest that ministers set aside one certain part of their services for this period in which the congregation not only communes with God, but EXPERIENCES THE POWER OF THE SPIRIT OF GOD. This can be before or after the sermon. Call for at least three minutes of absolute silence. Impress upon the congregation that GOD LIVES--IN SPIRIT, HERE AND NOW, RIGHT IN THEIR MIDST. You have preached that for years. NOW--TRY SPEAKING THE POWER OF THE SPIRIT OF GOD INTO ACTUAL MANIFESTATION. In other words, let's get God out of the heavens and make Him a Living Vital Force, instantly available whenever and wherever the need arises.

end

At the ~~end~~ of this silent period (you will know when that will be) have your people rise, and, in a loud voice, have them repeat the statement which has been proven so effective over fourteen years. "I BELIEVE IN THE POWER OF THE LIVING GOD". Such meetings as these will stagger you with their results. You will soon notice the most amazing change come over your people. They will be happier. They will give more freely. They will show by their lives that Almighty God is not a negative "something" somewhere in the sky--but you will see such a flow of Power come into your church as you have never seen before. Little do the ministers of the Christian Church know the static Spiritual Power at their disposal. All God Almighty asks is that give Him a chance to operate through you. That is what is wrong with the world today. Eleven major systems of religion and hundreds of creeds, cults, traditions, and sects. Yet not one of them can actually manifest the Power of the Spirit of God in sufficient measure to bring peace to this war-weary earth.

the

Dont ask ~~you~~ people who will come to you if they believe in YOUR creed or YOUR ritual--ASK THEM IF THEY WANT TO KNOW THE POWER OF THE SPIRIT OF GOD. They will say "YES". Then, lead them to the source of all Power by having them quietly commune with God, SPEAKING THE POWER OF GOD INTO ACTUAL MANIFESTATION. The Christian Church can stop this brutal war in 60 days if it will unitedly CALL UPON THE POWER OF THE SPIRIT OF GOD TO MANIFEST ITSELF IN ITS LIFE. For there--as close as life itself, is The Spirit of The Living God, waiting for the Christian ministers to show the people how to make It real to them. The Axis powers are united. Religions should unite, standing on one common denominator---THE PRESENT EXISTENCE OF THE SPIRIT OF GOD---AND IT'S AVAILABILITY TO ALL. LIMITLESS IN POWER: GLORIOUS IN EXPERIENCE: REJUVENATING BY THE POWER OF IT'S OWN MIGHT. AND YOU AND YOUR CONGREGATION HAVE IT WITHIN YOUR GRASP AT THIS MOMENT.

SPECIAL NOTE TO MINISTERS

The "Psychiana" Movement

Dr. Robinson will be happy to consult with any minister who is anxious to see a demonstration of the Spirit of God in his church. If several churches in a city unite, he will be happy to come personally and help make the Spirit of God evident. He asks no salary. Just expenses from Moscow Idaho both ways. His whole life has from childhood been consecrated to the Realm of The Spirit of God, and he lives each moment in the full consciousness of that Great Power. He will be glad to consult with the leaders of any denomination anywhere. This beloved civilization of ours may not survive unless someone somewhere bring the actual and literal Power of the Spirit of God to the earth, consciously. It is the duty of The Christian Church to do just that. Will it rise to it's opportunity--or will Dr. Milner's prophecy be fulfilled, and the ~~manifestation~~ Spirit of God live and manifest in institutions other than the Christian Church? The answer is yours.
