STUDY FOR DOCTOR OF DIVINITY DEGREE NOW

Many of our Students have expressed a desire to do their part in the work of regenerating the world through the Power of the Spirit of God. To assist them in this worthy desire, we have instituted an EXTENSION DEPARTMENT, under the direction of Dr. C. W. Tenney, who for thirty years was president of Gooding, Idaho, and Montana Wesleyan Colleges and served as Montana State School Inspector and Director of Religious Education at the University of Idaho, so is well qualified.

Every Student, with satisfactory preparation or background, who successfully completes the "PSYCHIANA" Advanced Teaching No. 1, is eligible for the Extension Studies which, when completed, lead to the Degree of DOCTOR OF DIVINITY. The Extension Studies consist of a series of "PSYCHIANA" Lessons of graduate rank, two book reviews and thesis. The instruction takes one year to complete, one Lesson being sent to every enrollee every week.

At the end of the course, an examination is given by the dean or the graduate committee and those who have mastered the subject matter will have the Doctor of Divinity, D.D., conferred upon them. Those Students who have already completed the First Advanced series of Lessons, will be entitled to deduct the amount paid for them from the tuition fee for the graduate study.
