CABLE ADDRESS
"PSYNA"

My Dear Friend:

You have either answered one of our radio programs, an advertisement in a newspaper or magazine—or—some friend of yours who is a Member of "PSYCHIANA" has asked us to fully inform you of the activities of this Movement, and bring it to your attention. Whichever may be the case, I am glad of this opportunity to bring to your attention, a Power which, in all probability may cause a new day to dawn in your life and affairs.

For the New Conception of God which we have been bringing to humanity for the past eleven years, is pulsing with dynamic Power. This surging Power is for you. It's only eleven years since I left the Corner Drug Store in Moscow, Idaho, here, and gave this New Conception of God to the world. In its first year, it went to 67 different countries and today, as I write this to you, there are, in the United States alone, 11,738 cities, towns, and villages, each having anywhere from one, to ten thousand Members in them. This accomplishment is a living testimony to what the New Conception of God is doing for men and women everywhere.

I have nothing to sell, nor am I interested in any money you might have. I am, however, interested in you. I want you to know the surging, pulsing Power of the Realm of the Spirit of God, as this great Realm is being disclosed by this religious Teaching. For "PSYCHIANA" is strictly a religious Movement. I do NOT operate it for profit. I use the mails exclusively, and I also adopt modern, up-to-date methods of bringing this Teaching to the attention of the world. Naturally, these expenses must be paid, and those who study with us, are asked to assist with the continuance of this Movement. This is only fair and right. If someone will endow this Movement, I shall be happy to send the Teaching all over the world absolutely free of charge.

I am sending you 5 of our Lessons. One comes each 10 days. They will speak for themselves, and they will disclose to you the reason for the amazing growth of "PSYCHIANA." You are under no obligation whatsoever. If the Teaching appeals to you, which it undoubtedly will, we invite you to become a Member. I won't say any more to you now, except that there is a deep burning love for all humanity in both Dr. Tenney and myself, and if we can point you to a Living Spiritual Power which can do for you things you have never been able to do for yourself, you need that Power. Well, this Power exists. It is God. Not the old "orthodox" God by a long way—but the New Conception of God. And it's just as true as it possibly can be.

Please read the enclosed circular containing letters picked at random from our files. They come in every day and have been doing this for over ten years. These are the results of this Power we are teaching. If you made enquiry yourself, I thank you for so doing. If some friend of yours sent your name to us, we trust that the Spirit of God manifests itself to you as never before.

Cordially yours,

Frank B. Robinson
