

"PSYCHIANA"

A MOVEMENT OF THE SPIRIT OF GOD ON THE EARTH

MY DEAR FRIEND:

Your name was sent to us by one of our Students who requested that we tell you something about "PSYCHIANA" and the remarkable phenomena which follow this Teaching. In all probability you have heard of the Movement before, as many large national magazines such as "TIME," "THE AMERICAN MERCURY," and scores of other magazines and newspapers have published articles dealing with this Teaching.

In compliance with your friend's request, we are enrolling you for these Studies. We make no charge for the Teaching. We depend upon our Students to assist us in carrying on this work of God, and the Power which is God, has, to date, been sufficient for our every need. This Teaching brings to the world, for the first time, to our knowledge, what is probably the most revolutionary conception of God ever brought to it. If this Teaching is true, it just simply means that some of the inherited ideas about God will have to be radically changed, if those who follow those old conceptions are to find the truth that will help them now.

"PSYCHIANA" teaches that instead of God dwelling somewhere "above the sky," this great Creative Intelligence exists right here on this earth, and exists as the most dynamic Power this world has ever known. Through this God-Power, man can overcome all manner of illness, unhappiness, poverty—in short, GOD AND MAN MAY LIVE TOGETHER HERE ON THE EARTH IN PERFECT HARMONY AND IN PERFECT POWER. In other words, all the invisible Power of the Realm of the Spirit of God EXISTS HERE AND NOW, AND CAN BE CONTACTED AND USED BY ALL WHO WILL DO SO. Naturally, if this is a fact, then all the Powers of the Realm of God also exist for man's use.

We won't say any more to you now. We are sending you a brief history of this phenomenal Movement, and your Lessons will start at once. We are not interested in your money. WE WANT TO HELP YOU. Naturally, our overhead and operating expenses have to be met, but we know you will be more than willing to do your share when you know just how dynamic and powerful this Teaching, and the God behind it, really are. The person who sent your name to us, is a Student of "PSYCHIANA" and is really interested in your finding the truth. So carefully read what we sent you. It will mean the dawn of a new day for you.

Cordially yours,

Assistant Director of "PSYCHIANA."
