Mr. Hal Riegger  
11009 Spenceville Road  
Penn Valley, CA 95946

Dear Mr. Riegger:

Since you last wrote, I retired from BN RR but am handling historical requests for the company for several years. I hope the photocopies of portions of the former Northern Pacific track laying record will be helpful in your research for your book.

It may be that you also might be able to find a nugget or two in the brief history of the NP which also is enclosed.

Cordially yours,

  
P. W. Stafford
