Dear Mr. Riegger:

Got your letter last week,
It is a busy week here
this morning my furnace was
dead had to have a new
thermostat in the furnace got
weak but all fixed now &
I'm having carpet put on the
porch & steps outside. I
asked the boy Earl Jr. about
the pictures he said when you
were through with them he'd
like them back. His daughter
Sue is getting married this
Saturday. Weather stays rainy
& cold. I'm fine.
