Dear Mr. Hal Riegger:

Yes, you may call me Ken, and I am glad to be of some service to you.

The photos you wanted are enclosed, and hope you can use them.

I also photo copied a few newspaper articles about the Nez Perce, and you may find them of interest, in your research.

A bill for \$14.50 is enclosed, which is my out of pocket costs for the photo copies, the postage and the enlargements.

I hope you can get a favorable response from Joe Lux, he is a hard man to catch. The office manager, at least when I was there, is John Jasper, but it has been ten years, so maybe some one else is there now.

A Ms Hein M Palmer, from Winchester, Ida. was in my store the other day, she and I talked about you, she said you had talked with her about the Nez Perce and Camas Prairie. Small world, eh.

Trust you saw Bill and Kay Fisher at last Sierra Mt. RR Club.

Will be looking for your book on the Camas Prairie, it is an interesting RR. I used to know the Gen Mgr of that line, but it has been a few years ago.

Regards,

Ken C. Brovald
