Dear Bill and Kay

Your friend Doug Ewen called me a few weeks ago and introduced me to Ken Brovald and we went out last weekend and took pictures of the Alaska Railroad.

Ken has published a book on the A.R.R. and he wrote an article on the Nez Perce R.R. for Pacific News in 1974. I think Ojal

Piegger is ~~is~~ planning to do a book on the Nez Perce R.R. if so have him write Glen. Ken has information, photos and people for him to contact about the railroad.

Hope everything is fine there in California, it's nice and cool here for the summer.
