

- 000 Starts. Activities/hobbies. Superintendent at county fair-flower judge, arranges, does hardwork. Clubs-Sandpoint Civic Club-president-started 1918-joins 1948. Bazaars and farmer market type stuff. Sell-handwork, art, etc. Promoted friendships among county women. Friendly club.
- 068 Club teaches class on jewelry making too. Started in 1931 another club. Started with 5 women, each brought another woman. Got up to 20. Helped each other-made things for each other, helped in bad times. 3 committees-each had to put on programs-plays, musicals, husbands participated too. Entertainment-during depression no one had money for other things.
- 095 "Break-up" season. Spring. Muddy roads. Some roads closed. Club-3H Club. Home, help, harmony. Rural area during depression-lots of same types of people. Helped each other if one had more than another. No new clothes.
- 120 At one time no money for stamp to send letters to mother. She didn't have garden but bought garden produce. (Husband in background-inaudible.) Closeness among people. Husband in lumber industry.
- 132 Children born in 30's. Childrens clothes passed among families. Traded off magazines-reading material. After depression clubs turn into card club. Belonged to Grange too for 20 years. She held an office in Grange. Not as strong now-better insurance available to farmers. Put on educational/inspirational/recreational programs.
- 152 Always been active. Ladies aid met at grandmothers house-grew up in church work. President of Young Peoples Clubs in High School-programs. People today are missing a lot today without this. Had been shy child-one teacher helped her to overcome this.
- 169 She worked at store once. Two days of training-always look in customers face (or their hats) to keep track of who you waited on. Home demonstrations for extension club were most fun. Joined 1st in 1921 when she first got married. Had everything the university had to offer. Gratifying. Improved grooming of women. Had international section-sent tow women on trip.
- 190 Extension work very important. Made life better for women-self-respect. Learn to take care of homes, food, children, etc.
- 209 Extension should train women in business-"train women to be widows." Intelligent women even have trouble here. Decision-making not allowed for years. Men have been cheated-too much pressure. Too many men not capable to take care of needs.
- 224 Born in Oregon. Married at 24. Had worked around-restaurant as cook for big family-type dinners at night. Salesmen were pests. (Gap)

- 240 Courting. Hockey game in Portland every thursday night. He worked at mill. Didn't have money to marry. Didn't work after married. Mother-housewife on farm. Ahead of her time in her thinking (mother).
- 257 She was brought up on the classics-loves Tennyson. Writes poetry herself-not published.
- 268 Seven Grandchildren. Future of granddaughters-difficult to say since she is cripple with speech problem.
- 283 Has enjoyed every phase of her life. Wishes she could stop at 71 though. Gives detailed outline of her week. (Good story) Everyone should/could put something into the community. Church. Took care of grandsons while daughter-in-law worked for BLM.
- 304 Any child whose mother work has been cheated. But each women is different. Should be able to make choice between home and outside job.
- 316 Use to be active in political party, rock club. If she had had to she would have supported the family anyway she could. Lot of dope in North Idaho. New people moving in.
- 327 Newspapers-3. Magazines-18. National Geographic, Readers Digest, McCall's, Sportsman, Goodhousekeeping, etc. Can't read as much since she got cataracts.
- 334 Decision-making. Always discussed first. Never a problem. Probably had more say-cause she talked more. Made more home-type decisions because she was there more then her husband. Sons did housework.
- 343 Changes. Physically women have it easier these days. Not emotionally though. More choices, decisions, conflicting information. Enjoys her husband being retired. "The best friend I ever had," Husband thinks she thinks like a man. Women/men do think differently-would be dull if they didn't.
- 257 TV shows-Welk, news. (gap)
- 362 Elections. Preferred Gerald Ford. She was chairman of committee in Idaho to pick man and woman of the year.
- 382 Summing up. Married 47 years. Moved here in 1948. Took house they are in now back then as a temporary place to live.
- 398 End of interview.
