Hello girls, I was so surprised to hear that you are out there to do farm work. However, your agreements with the nation's war policy are worthy of praise. You know, your parents and all other relatives have deep concern for your safety which means in broad sense. I'm sending you a couple of turkish towels. Hope keep warm your throat with them while you sleep in cold night.

Write your home as often as you can. Heard every body fine at home. I'm fine too.

Lovingly yours P.S. Shuman
