

I wish to convey you my sincere good wish of
the season with theirs of my family to you & every
member of your family, regardless of how unfortunate
situation in which all of us must endure.
You and your family have been so considerate
to me and my folks altho long past years
& over this troublesome period that we all
feel ~~et~~ eternally obliged & grateful to
your kindness

the other day.

Marriage is the most important thing is life.

So, enter into ^{it} ~~get~~ after much deliberation.

It is a ~~sacra~~ ^{神聖} sacred pledge for life. After you have entered into it. You must live together for the rest of your lives. So, you must be nice to each other.

Don't speak aloud to each other until the house is on fire
