Dear Uncle,

How are you? The weather over here is getting so warm, (I mean "Hot.") I bet it must be hot over there, too.

Mommy told me you were sick in bed, and wished to hear from us. We hope you ~~are~~ will be well soon.

② We still have to go to school one more month. In the morning we study, in the afternoon we have rest period.

At "Block 26" there is a tennis court. Mommy, Mei-cha, Ka-cha, Daddy and I go there every so often. I can't play but I go in the court to practice.

Their building  
~~are~~ a swimming  
pool near "Block  
30." We all wish  
they will hurry  
and finish. Daddy  
said that the deep-  
est place is deep  
enough to drown.

Tonight I'm supposed  
to go to a "Seiner Roast"  
<sup>at</sup> the canal, but I  
have to go to practice  
"odori", too. I don't  
know which one  
I should go.

⑧ I think I'd better  
go to odori or else  
I wouldn't be able  
to dance in the  
4<sup>th</sup> of July program.

Here all wishing  
you'd come back. Take  
care of yourself.
