PRICE LIST - Effective March 1, 1971

Contact prints, enlargements, and transformed prints are unmounted and untrimmed; however, trimming may be specified at 5 cents extra per print. These reproductions are printed on double-weight semimatte paper unless the order specifies other paper. Waterproof (low-shrink) paper is available for contact prints only at 25 cents extra per print.

Similar prices are charged by other Federal agencies. Prices are subject to revision at any time.

	1 to 25	over 25*
	<u>each</u>	<u>each</u>
Contact prints (9 x 9 in.)-----	\$1.75	\$1.25
Enlargements**		
Magnifications:		
1.5X (14 x 14 in.)-----	3.00	2.50
2X (18 x 18 in.)-----	3.50	3.00
3X (27 x 27 in.)-----	4.50	3.50
4X (36 x 36 in.)-----	9.00	8.00
Transformed prints from either convergent or transverse low- oblique photographs-----	3.50	3.00
Film positives contact printed from aerial negatives-----	3.00	3.00
Kelsh plates--contact prints on glass, Specify thickness (0.25 or 0.06 inch) and method of printing (emulsion to emulsion or through film base)-----	6.50	6.00
ER-55 plates--reductions on glass, 11 x 11 cm-----	5.00	4.50

Photo indexes are the same size as the negatives--enlargements are not available. These indexes cost \$2.50 per sheet, 10" x 12" and \$3.00 20" x 24"

*Quantity prices apply only to those prints ordered in excess of 25 of the same size, i. e., 26 contact prints cost: 25 at \$1.75 each = \$43.75 plus 1 at \$1.25 = \$45.00.

**For an intermediate-size enlargement, use the price listed for the next larger size, that is, one 24- x 24-inch enlargement costs \$4.50.
