

The following reports and articles are available from the Wilderness Institute's Information Center. Though most of this material was previously provided free on request, budget restrictions now force us to ask that a donation to cover printing costs be included with each request. Suggested donation included in parentheses.

Some materials are available only on 14-day loan and are noted as such. No donation is asked for loan materials.

WI is grateful for any contributions in kind that are sent with information requests.

#### WILDERNESS ARTICLES

1. \_\_\_ "Heartland" the script of a film based on the letters of Elinore Pruitt Stewart, a woman homesteader; "a story of hardship, love and land on the western frontier." An end product of the Wilderness Women project. Written by Elizabeth Ferris. 1978 (\$5.00 postpaid)
