Dear Jim & Holly -

Thanks for the note and the slide.
The Dave Lewis cabin was 'all
natural' in the early days (60's). Log
walls inside. Arlow did the
modifications -

Terry came down mid-Oct from
elh hunt. We had cow permits on
a ranch north of Craters of the Moon.
We killed our cows opening day - saw
180+ in one bunch! Quite a sight.

Hope all is well. More later.

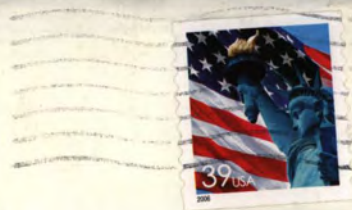

Best
Maurice
