Dear Ernie:

We are inviting you to attend a public meeting in regard to our forthcoming study of the Idaho Primitive Area for possible reclassification as a Wilderness under the Wilderness Act of September 3, 1964.

The meeting will be held Monday, April 5, 1971, in the Alturas Room of the Rodeway Inn, commencing at 7:00 p.m. This will be an informal meeting with a presentation of the facts about the area by the Forest Service, and the remainder of the time for open discussion and questions by the public. This is not a formal hearing but rather an opportunity for you to let us know how you feel about the area, proposals for additions or deletions, matters needing study, or any other input you feel is pertinent to the study to be made.

Enclosed is a map of the Idaho Primitive Area as it now exists, along with some background material about it. I hope you will be able to attend the meeting and give us the benefit of your thoughts on the matter.

Sincerely,

*Howard E. Ahlskog*
