

Spring, 1996

Hi!

I will be off-campus most of this semester, but I will be checking in for message. If you wish to leave a message, package or mail of any kind, please do so with the secretary in the Wilderness Research Center's main office, located in CFWR Room 18-A.

If you need to see me, I could be available to meet in person Tuesday mornings or Thursday afternoons. Please see the WRC secretary to make arrangements.

Thank you.
