MEMORANDUM

DATE: October 20, 1994
TO: Jeff Yeo
FROM: Maureen Smith
SUBJECT: 6th National Wilderness Conference

John is interested in putting together a delegate booklet for the University of Idaho similar to the one used for the 5th World Wilderness Congress last year. I have retyped his and Ed Krumpe's articles and attach them so that you might see the length and type of article we need to have from you by Tuesday of next week.

Additionally, next to the article on yourself will be a current photo. I have arranged with Gerry Snyder to have your photo taken early next week. Gerry will be designating blocks of time on specified dates so that you will need to check with him as to when to stop in. These same photos will be later used for a departmental picture chart of all center staff.

Please let me know if you have any questions or concerns. Thank you.
