Dear Jeff;

We are in Florida, doing Hurricane Clean-up in Big Cypress and Everglades national parks. We are scheduled to be here until mid-October. Before that I spent 8 weeks in Idaho, on one fire after another.

I'm not sure when your letter arrived, but I was very excited. I have spent the last 3 days trying to call you in various places. For your sake, I hope you have found someone for the winter, to ease your mind. For my sake, I hope you have it, because I would like very much to do it.

Realistically, I probably can't get there until the first of November or a bit earlier. I don't know if that fits into your plans. If it does, I wait back out on you.

This letter was originally intended

to be longer, but now I'm just
trying to get it out expediently.

I'll still try to call you.

Sincerely,

John Mundy
