Subject: Schedule for snorkeling and PIT tagging in Big Creek.

Dear Jeff:

My assistant and I will be flying into Taylor Ranch at about 08:45 on the morning of 07/07/93. We will have backpacking and camping gear so we shouldn't need to use the facilities there. We will be snorkeling in lower Big Creek and Rush Creek to check on chinook salmon parr densities. We plan on flying out about 08:30 on the morning of 07/10/93.

Our tentative schedule for PIT tagging in lower Big Creek and Rush Creek is 08/26 through 08/28/93. We will have 6 people and need to stay there if possible. I'll talk to you later about the arrangements. Thank you very much and I hope to see you when I'm back there in July.
