Dear John:

Enclosed is our check for \$500.00, which covers additional expenses incurred on our trip to the University of Idaho field station at the Taylor Ranch.

The Taylor Ranch was an excellent facility for our discussions, please accept the sincere appreciation of the Board of Directors of the International Wilderness Leadership Foundation. In particular, may I commend the very hospitable and professional services provided by Jim and Holly, and the on-going oversight of the field station by Dr. Ed Krumpe. It is a rare and priceless facility, and one which sets apart the University of Idaho in its commitment to natural resources and environmental conservation.

Our discussions at the Taylor Ranch are already bearing fruit in many ways, and I look forward to continuing discussion of these matters with you.

Thank you again.

Yours sincerely,

Vance
