Dear Jim

Received your card and
thank so much as we surely
enjoyed our stay at Taylor Ranch
Wished we could have helped
you more.

We heard on the radio while
at the Shepp Ranch that you
got a Bear in the Orchard.

We seen two Bear going up
the River in the Boat Hope
my pictures turn out good

We were busy at the Shepp
Ranch as they were getting in
Antoni so there was plenty to do
Got to fish a little before we
got twelve.

We had a good flight coming

but not rough.

We get to see Bill at the hospital we do hope he is feeling better. Give our regards to Bill & Susan.

Did Walt ever get in to check on Sheep hunters.

Have had nice weather a little frosty in the morning but warm in the afternoon.

If arrangements can be made and you need someone again let us know

Regards to all
Pat & Vic
