Taylor Ranch
Cascade, ID 83611

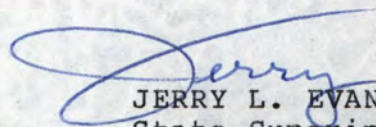

Dear Jim and Holly:

Just a note to tell you how much I enjoyed my trip to the Taylor Ranch. I am much better informed about the facility and can see why it is so valuable as a wilderness research center.

It is also obvious to me that the ranch is in the good hands of people very much in love with the area, and the work that goes on there. Not even a good rain could dampen the enthusiasm. It was so obvious in all those who enjoyed the barbeque.

The natural beauty is unsurpassed, the fishing could not have been better, and the hospitality A+. Thanks for a great time.

Sincerely,

JERRY L. EVANS
