

SRSR - Monumental Creek
Cascade, ID. 83611

4th August 1987

Dear Tim & Holly,

Thanks again for your wonderful hospitality and kindness to Eve, Tamie, & Tim. Much appreciated! I probably won't have a chance to get to Taylor this summer, but Eve, Torben & Tim might stop in (Aug. 22nd or so) with the horses. If you get a chance to visit us here, by all means do so. Would love to see you here at Monumental Creek!

If you happen to know of anyone who might be a suitable caretaker for us here Sept. 1 - Nov. 30, please do let us know. It obviously should be someone who can handle the isolation, the backcountry culture, etc. We also want someone who is environmentally sensitive & would be willing to do

some tedious manual labor (stacking slash, sawing firewood—without a chainsaw, irrigation, etc., etc.). A non-hunter would be preferable, though that's not essential.

So, if you can think of anyone, please be sure to let us know. Our other possibilities + leads unfortunately all have fallen through.

With warmest regards,
Weinrich.

Dear Holly and Jim,

It sure was great to see you again and to be able to spend some time with you. I also loved seeing everything that you have done to improve Taylor. It's quite amazing.

Heinrich and I are thrilled to have this Carswell diary. We are having a wonderful time with it. Sometime we will have to ask you whether you can explain a couple of terms to us like "graining the hides". The diary really helps fill in some of the gaps in the account of the history of this area which we have already collected. Thank you so much.

Our trip to Monumental was gorgeous. I am eager to do it again. The cook pot facilitated things a lot as you might imagine and we really appreciated being able to use it.

So, our thanks to you for many, many things. We hope that you will be able to come to visit at Monumental. We would love to see you soon.

Best wishes,
Eve
