Dear Jim:

Please accept my resignation from the half time position of Taylor Ranch Manager, effective May 11, 1990. I have enjoyed the 8 years I have spent as Taylor Ranch Manager, but have been discouraged with the lack of opportunities for professional growth and salary advancement. I want to spend time completing my masters degree and plan to work with Idaho Department of Fish and Game on a bighorn sheep research project near Stibnite this summer.

Can you transfer my half time salaried position to Jim Akenson, who holds the other half time position of Taylor Ranch Manager. Jim is willing to take on full time responsibilities as the Taylor Ranch Manager.

Sincerely,

Holly A. Akenson
