Hollie and Jim Akenson  
Taylor Ranch  
Cascade, ID 83611

Dear Hollie and Jim:

Long time, no see! But I've thought about you and Taylor Ranch many times. You've had quite a year, I'm sure. I've had quite a year, too.

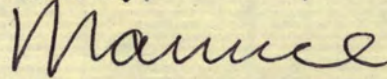

We have just finalized a date to film at the Ranch - March 6-8. We'll plan to come in March 6 if possible and leave late March 8. The same arrangements we had with the ABC crew would be ideal. I've contacted Oz and he said fine.

We just want to establish the site - study area, Taylor Ranch, Akensons, etc. We won't be doing any hunting but will do some aerial radio tracking. I really look forward to it.

Oz say you will be out in December. Please look me up.

Have a great Thanksgiving.

Sincerely,

Maurice G. Hornocker  
Director
