Call to Jim Fazio:

Got Paul Weingart's address for FS trip
Discussed FS Trip - JF: Ed K as WI
facilitator, no others available/interested;
set up food & lodging expenses at regular
rate + cook; participants should know - no fancy
accommodations of TR

Monitoring Station - Hendee says put ~~at~~
TR ~~property~~ for FS group to see, then
move to selected site on Rush.

Student Interns - pay has been set up for
FY 89-90 (July & Aug). Billing FS for
students work is fine by J.F. - just
send him the specs for billing.

CALL to JIM FAZIO :

JF: Willard wants # for Telonics Radio receiver

J.F.: Heavy box from INEL ^{in Moscow} - send it via J. Peek to McCall or on bus. → T.R.

Pay - students & H&J; JF: no\$ in UO1X007 til Aug 1 when pay will start for students, H&J unknown.

^{Meteorological} Weather Stn location - Can we put it near buildings til after FS Conference? - ^{JF-} Yes.

FS trip - ^{H&J to} Send FS costs/person on trip for food, lodging, cook.

Intern contract w/ FS: H&J need samples of past.

Sheep budget: Incorrectly debited for H&J's 1/2 time salary for one week. J.F.: Too difficult to change after the fact; Yes, bill some radio tracking to 686-X100 to offset that amount.

Research Associate status for sheep study completion after we leave - the Dean changed his mind. We've written a letter to Leon asking if this is possible - as the dean told us to do.

Updates: Jerry Evans, ^{Idaho} Supt. Education in last week, Boy Scouts next week, Rusty Munn - monitoring sta. 25th, Holly's mom cancer
