Holly and Jim Akenson
Taylor Ranch
Cascade, Idaho 83611

Dear Holly and Jim:

It was great coming to the Taylor Ranch, but there must be something about traveling with me that knocks the rest of them on their derrieres. When Ed returned to Moscow he went to bed for five days and Ernie was laid up for two or three.

I've had the chance to talk at some length about my visit with Ed and Maurice. Somehow the past keeps coming to mind -- I certainly am glad to have missed those chapters -- though I realize it's the present and future that count.

Next time either or both of you are coming to Moscow, bring the slide show and we'll stage the world premiere. Give a little advance notice so I can get the crock pot going for a big meal. Remember that it always tastes better the second day.

z With all best.

Sincerely,

Michael Frome
Visiting Associate Professor
