Dr. John Hendee, Director
Wilderness Research Center
FWR Room 18A
University of Idaho
Moscow, Idaho 83844-1144

Dear John,

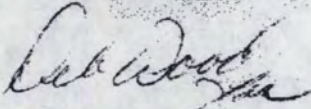

Thank you for letting us use the airstrip at Taylor Ranch.

We will probably use it several more times for horsefeed and camp gear during late August and early September.

Our intention is to have our hunters fly in and out of other airstrips, once the hunting season begins. We do not intend to abuse the privilege of using the Taylor Ranch airstrip.

Thank you once again.

Yours truly,

Steve Zettel
American Adrenaline Company
Taylor Ranch Outfitters
