Dear Dave:

Enclosed is a note that I sent to John Hendee in September, and I can't remember if you got a copy or were following up on the suggestion. I still think it's a good idea and I would like to request your help in getting it done. Do you have access to the information needed?

Hope all is going well, Merry Christmas. We wish you the best.

Sincerely,

Alton G. Campbell

*I seem to remember that John felt much of this info was already together in a printed form on Taylor Ranch*

*We've just finished the brochure on Taylor Ranch programs and will be marketing them over spring semester.*
