Dear Mr. Akernson:

Thank you for stopping by the EOSAT booth at the recent North American Wildlife and Natural Resources Conference in Reno, Nevada. Because of your interest in EOSAT products, I have enclosed further information on Landsat data.

As the commercial operator of the Landsat system, EOSAT is committed to expanding user services and developing new products, while assuring data continuity. As a representative of EOSAT, I look forward to future opportunities to serve your needs in acquiring Landsat data.

Should you have any questions or need additional information, please contact me at your earliest convenience.

Sincerely,

A handwritten signature in blue ink that reads "Ernest J. Clemens". The signature is fluid and cursive, with a long horizontal stroke at the end.
