n

7-24-03

1) Obvious scouring

- stream bed motion & debris
- Control streams as much as burned streams

(Cave cr.) - a lot of change.

(Congar) - movement noticeable
• bank cutting, tree toppling

2) Dead Alder -- coming down in mass
- drought & wind

3) Resprouting of Maple... everywhere
Goat cr. - Alder's maple, primarily

Mustards... drought opportunity, mediator.
